In the Matter of:

GARDEN CITY PUBLIC SCHOOLS,
Public Employer,

-and-

Case No. UC99 C-10

MICHIGAN EDUCATION ASSOCIATION,
Petitioner-Labor Organization.

APPEARANCES:

George D. Mesritz, Esq., Miller, Canfield, Paddock & Stone, for the Employer

Douglas V. Wilcox, Esq., White, Przybylowicz, Schneider & Baird, P.C., for Petitioner

**DECISION AND ORDER
ON MOTION FOR RECONSIDERATION**

On October 26, 2000, we issued a Decision and Order in the above entitled matter denying a petition for unit clarification filed by the Michigan Education Association. The petition sought to include the position of technology support supervisor in the Union's bargaining unit of certified and professional personnel of the Garden City Public Schools. In denying the petition, we held that, as gatekeeper to the Employer's information system, the technology support supervisor is appropriately excluded from the unit as a confidential employee. On November 15, 2000, Petitioner filed a motion requesting that we reconsider our decision in this matter and/or conduct a rehearing so as to allow the Union to introduce additional evidence. Having reviewed the motion carefully, we conclude that Petitioner has failed to demonstrate any error which would cause us to reconsider our decision or warrant reopening the case for additional proofs. Accordingly the motion for reconsideration/rehearing is hereby denied.
