**DECISION AND ORDER**

On January 4, 2013, Administrative Law Judge (ALJ) Doyle O'Connor issued his Decision and Recommended Order in the above matter pursuant to Sections 10 and 16 of the Public Employment Relations Act (PERA), 1965 PA 379, as amended, MCL 423.210 and 423.216. The Decision and Recommended Order was served on the interested parties in accordance with Section 16 of PERA. After requesting and receiving an extension of time, Respondent filed its exceptions to the ALJ's Decision and Recommended Order on February 21, 2013. On March 29, 2013, the Commission received a letter from Charging Party indicating that the dispute underlying the charge has been settled and requesting that the charge be withdrawn. Following further communications between the parties and the Commission's staff, on April 1, 2013, the Commission received a letter from Respondent confirming that the parties' dispute has been settled, seeking leave to withdraw its exceptions, asking that the matter be dismissed, and requesting that the ALJ's Decision and Recommended Order not be published. On the same day, Charging Party sent a letter to the Commission joining in Respondent's request that the ALJ's decision not be published. The parties' requests are hereby approved. Although this Decision and Order will be published in accordance with Commission policy, the ALJ's Decision and Recommended Order will not be published.

**ORDER**

The charge in this matter is dismissed in its entirety. The Decision and Recommended Order of the Administrative Law Judge issued January 4, 2013 will not be published.
