ISSUE

Did the Department of Human Services (DHS) properly deny claimant's Medical Assistance (MA-P) application?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On 10/31/06, claimant applied for MA-P with the Michigan DHS.
- (2) Claimant applied for three months of retro MA.
- (3) On 2/27/07, the MRT denied.
- (4) On 2/27/07, the DHS issued notice.
- (5) On 5/22/07, claimant filed a hearing request.

(6) Claimant has been denied SSI by the Social Security Administration (SSA).

Claimant has had a final determination by SSA. None of the exceptions apply.

(7) On 8/17/07, the State Hearing Review Team (SHRT) denied claimant. Pursuant to claimant's request to hold the record open for the submission of new and additional medical documentation, on 6/6/08 SHRT once again denied claimant for insufficient information. To date, claimant's representative has failed to act on the request for additional information; the undersigned Administrative Law Judge has had no communication from the representative or the local office that any further medical was obtained.

(8) The undersigned Administrative Law Judge was on a scheduled leave of absence from 8/1/08, returning full time 2/1/09. None of the ALJ's pending cases were reassigned while on leave; no protected time afforded before or after leave for issuing decisions.

(9) As of the date of application, claimant was a 43-year-old female standing 5' 4" tall and weighing 245 pounds. Claimant's BMI Index is 42, classifying claimant as morbidly obese.

(10) Claimant does not have an alcohol/drug abuse problem or history. Claimant does smoke and has a nicotine addiction.

(11) Claimant has a driver's license and can drive a motor vehicle.

(12) Claimant is currently working. Claimant works approximately 15 hours per week. Claimant's work history is as a supervisor, cashier.

(13) Claimant alleges disability on the basis of multiple impairments including pancreatic tumor, abdominal pain, diabetes, carpal tunnel syndrome, cancer, depression, anxiety, hernia.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department

of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Statutory authority for the SDA program states in part:

- (b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Prior to any substantive review, jurisdiction is paramount. Applicable to the case herein, policy states:

Final SSI Disability Determination

SSA's determination that disability or blindness does **not** exist for SSI purposes is **final** for MA if:

- . The determination was made after 1/1/90, **and**
- . No further appeals may be made at SSA, **or**
- . The client failed to file an appeal at any step within SSA's 60-day limit, **and**
- . The client is **not** claiming:
 - .. A totally different disabling condition than the condition SSA based its determination on, **or**
 - .. An additional impairment(s) or change or deterioration in his condition that SSA has **not** made a determination on.

Eligibility for MA based on disability or blindness does **not** exist once SSA's determination is **final**. PEM, Item 260, pp. 2-3.

Relevant federal regulations are found at 42 CFR Part 435. These regulations provide:

“An SSA disability determination is binding on an agency until the determination is changed by the SSA.” 42 CFR 435.541(a)(b)(i). These regulations further provide: “If the SSA determination is changed, the new determination is also binding on the agency.” 42 CFR 435.541(a)(b)(ii).

In this case, there is apparently no dispute relative to the facts. Claimant's claim was considered by SSA and benefits denied. The determination was final. Claimant is alleging the same impairments. None of the exceptions apply.

For these reasons, under the above-cited policy and federal law, this Administrative Law Judge has no jurisdiction to proceed with a substantive review. The department's denial must be upheld.

As noted above, should the SSA change its determination, then the new determination would also be binding on the DHS.

As noted in the Findings of Fact, the subsequent 6/4/08 SHRT decision denied on the basis of insufficient information. As also noted in the Findings of Fact, the undersigned Administrative Law Judge was on an extended leave of absence. Upon review of this case, the undersigned Administrative Law Judge has not been contacted by the representative in this case with regards to the recommendation of SHRT. Nor has the local office indicated that the representative has contacted Saginaw County with regards to the same. Thus, in the alternative, should the sequential analysis be applied, claimant would be denied for the reasons set forth in this SHRT decision pursuant to 20 CFR 416.913(b). Statutory disability is not shown.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department's actions were correct.

Accordingly, the department's determination in this matter is UPHeld.
