Issue No.: 3014

Load No.: [REDACTED]

Wayne County DHS (58)

ADMINISTRATIVE LAW JUDGE: Michael J. Benmane

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; MSA 16.409 and MCL 400.37; MSA 16.437 upon the Claimant's request for a hearing. After due notice a telephone hearing was held on August 23, 2007.

ISSUE

Did the Department properly close the Claimant's Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. On June 11, 2007, The Claimant's mother applied for FIP, FAP MA and CDC.
(Department's exhibit 1, p. 1).
2. On June 27, 2007, the Department sent the Claimant a notice that her FAP benefits would end on July 10, 2007. (Department's exhibit 3).
3. On July 5, 2007, the Department received the Claimant's request for a hearing.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the FAP program pursuant to MCL 400.10, et seq., and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Here, the Department relies on an application for benefits filed by the Claimant's mother to define the FAP group. PEM 212 says:

The relationship(s) of the people who live together affects whether they must be included or excluded from the group. First determine if they **must** be included in the group. If they are **not** mandatory group members, then determine if they purchase and prepare food together or separately....

Parents and Children

Children include natural, step and adopted children.

Parents and their children **under 22 years of age** who live together **must** be in the same group regardless of whether the child has his/her own spouse or child who lives with the group. (PEM 212, p. 1).

The Department relies on the information contained in the mother's application even though that application conflicts with the Claimant's application. The Department also relies on a written statement made by the mother that she and her daughters purchase food and prepare meals together. The Department does not take further action to resolve this conflict but applies the group as stated on the mother's application.

Discrepancies

All Programs

Before determining eligibility, give the client a reasonable opportunity to resolve any discrepancy between his statements and information from another source. (PAM 130, p. 5)

Here, the Department gives no opportunity to resolve the conflict but applies the facts as stated on the mother's application to the daughter's.

Evidence was presented that the mothers took her statement to be broad in that she sometimes shopped with her daughters and on occasion prepared food for all in the home.

DECISION AND ORDER

The Administrative Law Judge based on the above findings of fact and conclusions of law, REVERSES AND ORDERS the Department to reinstate the Claimant's FAP in a separate group, restoring any lost benefits.
