Case No: [REDACTED]  
Load No: [REDACTED]  
Hearing Date:

Genesee County DHS

ADMINISTRATIVE LAW JUDGE: Carmen G. Fahie

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; MSA 16.409 and MCL 400.37; MSA 16.437 upon claimant's June 19, 2007 request for a hearing to protest the department's denial of Medical Assistance and State Disability Assistance benefits. The record was left open for additional information. After due notice, a telephone hearing was held on Tuesday, October 23, 2007. The claimant personally appeared and testified on her own behalf.

ISSUE

Whether claimant meets the disability criteria for Medical Assistance and State Disability Assistance benefits?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On March 15, 2007, the claimant applied for Medical Assistance and State Disability Assistance without filing an application for retroactive Medical Assistance benefits.

At the conclusion of the hearing, the record was held open at claimant's request for the submission of additional medical records. Medical records were received and submitted to the State Hearing Review Team (SHRT). SHRT approved claimant's claim of disability on September 10, 2009.

The Social Security ALJ approved the claimant for benefits in October 2008 with an onset date of [REDACTED]. It is not clear whether the claimant is in payment status or not as the SHRT is unable to check her payment status. However, it is expected that the claimant has been placed into payment status. Therefore, Medical Assistance/retroactive Medical Assistance is approved effective December 2006. SDA is approved per PEM 261. At the medical review in September 2010, please check to see if the claimant is in current payment status or not. If the claimant is in current payment status at the medical review, no further action will be necessary. However, if the claimant is not in current payment status at the medical review, please obtain updated application forms and medical records.

#### CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the SHRT determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability, per Program Administrative Manual, Item 600.

The department is required to initiate a determination of claimant's financial eligibility for the requested benefits, if not previously done.

The claimant is eligible for Medical Assistance retroactive to September 2005 and State Disability Assistance based on her March 15, 2007 application.

#### DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the claimant meets the definition of medically disabled under the Medical Assistance program retroactive to September 2005 and State Disability Assistance based on her March 15, 2007 application..

Accordingly, the department is ORDERED to initiate a review of the March 15, 2007 application, if it has not already done so, to determine if all other non-medical eligibility criteria are met. The department shall inform the claimant of the determination in writing.

Accordingly, if it has not already done so, the department is ORDERED to open an ongoing Medical Assistance case for the claimant effective the month of the SSI entitlement.
