HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held in Bay County in Essexville, Michigan. Claimant was represented at the administrative hearing by [REDACTED].

ISSUE

Did the Department of Human Services (DHS) properly deny claimant's Medical Assistance (MA-P) application?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On 5/31/07, claimant applied for MA-P with the Michigan DHS.
- (2) Claimant applied for three months of retro MA.
- (3) On 6/27/07, the MRT denied.

(4) On 7/3/07, the DHS issued notice.

(5) On 9/19/07, claimant filed a hearing request.

(6) Claimant testified at the administrative hearing that he applied for SSI in August, 2007 and that the application as of the 3/11/08 hearing was still pending. On 5/12/09, the undersigned Administrative Law Judge received an SOLQ SSA Response data sheet from the DHS indicating claimant applied on 7/5/2007 and was denied on 12/5/2007. Claimant did not appeal. There is no appeal pending and no evidence of an appeal having been filed. Claimant has been denied SSI by the Social Security Administration (SSA). Claimant has had a final determination by SSA. Claimant applied for the DHS Medicaid two months prior to the SSI application; none of the exceptions apply.

(7) On 12/18/07, the State Hearing Review Team (SHRT) denied claimant. Pursuant to claimant's request to hold the record open for the submission of new and additional medical documentation, on 3/21/07 SHRT once again denied claimant.

(8) As of the date of application, claimant was a 44-year-old male standing 5' 11" tall and weighing 208 pounds. Claimant's BMI Index is 29, classifying him under the overweight category.

(9) Claimant does not have an alcohol/drug abuse problem or history.

(10) Claimant has a driver's license and can drive a motor vehicle.

(11) Claimant is not currently working. Claimant last worked in November, 2007 doing tree work.. Claimant's work history is working seasonal jobs from March until November.

(12) Claimant alleges disability on the basis of prostate cancer.

(13) The 12/18/07 and subsequent 3/21/08 SHRT Decisions are adopted and incorporated by reference herein.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Statutory authority for the SDA program states in part:

- (b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Prior to any substantive review, jurisdiction is paramount. Applicable to the case herein, policy states:

Final SSI Disability Determination

SSA's determination that disability or blindness does **not** exist for SSI purposes is **final** for MA if:

- . The determination was made after 1/1/90, **and**
- . No further appeals may be made at SSA, **or**
- . The client failed to file an appeal at any step within SSA's 60-day limit, **and**
- . The client is **not** claiming:

- .. A totally different disabling condition than the condition SSA based its determination on, **or**
- .. An additional impairment(s) or change or deterioration in his condition that SSA has **not** made a determination on.

Eligibility for MA based on disability or blindness does **not** exist once SSA's determination is **final**. PEM, Item 260, pp. 2-3.

Relevant federal regulations are found at 42 CFR Part 435. These regulations provide:

“An SSA disability determination is binding on an agency until the determination is changed by the SSA.” 42 CFR 435.541(a)(b)(i). These regulations further provide: “If the SSA determination is changed, the new determination is also binding on the agency.” 42 CFR 435.541(a)(b)(ii).

In this case, there is apparently no dispute relative to the facts. Claimant's claim was considered by SSA and benefits denied. The determination was final. Claimant is alleging the same impairments. None of the exceptions apply.

For these reasons, under the above-cited policy and federal law, this Administrative Law Judge has no jurisdiction to proceed with a substantive review. The department's denial must be upheld.

As noted above, should claimant reapply for SSI and SSA reverse its prior denial, then the new determination would be binding on the DHS.

It is noted in the alternative that should the sequential analysis be applied, the undersigned Administrative Law Judge would concur with the SHRT findings of facts and conclusions and denial pursuant to 20 CFR 416.909.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department's actions were correct.

Accordingly, the department's determination in this matter is UPHELD.
