The Administrative Law Judge, based upon clear and convincing evidence on the whole record, finds as material fact:

- (1) On March 13, 2008, the Department filed a hearing request to establish an over-issuance. The Department is requesting to recoup \$313.00 in FAP benefits for the period of December, 2007, through January, 2008.

### CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services administers the FAP program pursuant to MCL 400.10, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In this case, the department has requested recoupment of the over issuance. The department’s manuals provide the relevant policy statements and instructions for department caseworkers. In part, the policies provide:

#### **BENEFIT OVERISSUANCES: PAM 700, p. 1**

#### **DEPARTMENT POLICY**

##### **All Programs**

When a customer group receives more benefits than they are entitled to receive, the department must attempt to recoup the over issuance (OI).

The **Automated Recoupment System (ARS)** is the part of CIMS that tracks all FIP, SDA and FAP OIs and payments, issues automated collection notices and triggers automated benefit reductions for active programs.

An **over issuance (OI)** is the amount of benefits issued to the customer group in excess of what they were eligible to receive.

**Over issuance Type** identifies the cause of an over issuance.

**Recoupment** is a department action to identify and recover a benefit over issuance. PAM 700, p.1.

## **PREVENTION OF OVERISSUANCES**

### **All Programs**

The department must inform customers of their reporting responsibilities and act on the information reported within the standard of promptness.

During eligibility determination and while the case is active, customers are repeatedly reminded of reporting responsibilities, including:

- acknowledgments on the application form, **and**
- your explanation at application/re-determination interviews, **and**
- customer notices and program pamphlets.

The department must prevent OIs by following PAM 105 requirements and by informing the customer or authorized representative of the following:

- Applicants and recipients are required by law to give complete and accurate information about their circumstances.
- Applicants and recipients are required by law to promptly notify the department of any changes in circumstances within 10 days.
- Incorrect, late reported or omitted information causing an OI can result in cash repayment or benefit reduction.
- A timely hearing request can delete a proposed benefit reduction. If the department is upheld or the customer fails to appear at the hearing, the customer must repay the OI.

Record on the application the customer's comments and/or questions about the above responsibilities. PAM 700, p.2.

**OVERISSUANCE AMOUNT**

**FIP, SDA, CDC and FAP Only**

The amount of the OI is the amount of benefits the group actually received minus the amount the group was eligible to receive. PAM 720, p. 6.

In this case, the Department has established by clear and convincing evidence that respondent was ineligible to receive benefits when he became subject to arrest for an outstanding felony warrant.

The Department is entitled to recoup the amount issued in excess of what the respondent was eligible to receive. The undersigned reviewed the FAP budgets presented and the over-issuance amount of FAP benefits they show; and finds the Department's FAP budget computations to be correct. Respondent owes \$313.00 in FAP benefits. The Department is entitled to recoup this amount.

DECISION AND ORDER

The Administrative Law Judge, based upon the clear and convincing evidence, decides the following that the Department is entitled to recoup over issuance of FAP benefits a total of \$313.00.
