ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF: [REDACTED],

Respondent

Reg. No: 2008-17438

Issue No: 1052; 3055

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

March 24, 2010

Baraga County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37, 7 CFR 273.16, MAC R 400.3130, and MAC R 400.3178 upon the Department of Human Services (department) request for a disqualification hearing. After due notice, a telephone hearing was held on March 24, 2010. Respondent did not appear at the hearing and it was held in respondent's absence pursuant to 7 CFR 273.16(e), MAC R 400.3130(5), or MAC R 400.3187(5).

ISSUE

(1) Whether respondent committed an Intentional Program Violation (IPV) of the Food Assistance Program (FAP) and whether respondent received an overissuance of benefits that the department is entitled to recoup?

(2) Whether respondent committed an IPV of the Family Independence Program (FIP) and whether respondent received an overissuance of benefits that the department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. The department's Office of Inspector General (OIG) filed a hearing request to establish an overissuance of benefits received by respondent as a result of respondent having committed an Intentional Program Violation (IPV); the OIG also requested that respondent be disqualified from receiving program benefits.
2. Respondent signed Assistance Application (DHS-1171) on March 22, 2001 and March 1, 2002, acknowledging that she understood her failure to give timely, truthful, complete and accurate information about her circumstances could result in a civil or criminal action or an administrative claim against her. (Department Exhibit 47 – 52, 63 - 70)
3. Respondent indicated on these applications that she resided with her children, but not her husband. (Department Exhibit 47 – 52, 63 – 70)
4. The respondent's husband, [REDACTED] [REDACTED] used the respondent's address as his home address with the Unemployment Insurance Agency to receive unemployment compensation benefits (UCB). (Department Exhibit 23 – 24, 34 – 36)
5. In November, 2002, two of the respondent's children were removed by Child Protective Services (CPS). The CPS worker was informed by [REDACTED] mother that he had been residing with the respondent for over a year. (Department Exhibit 83)
6. Respondent received \$4142 in FAP benefits during the alleged fraud period of January, 2002 through November, 2002. If the respondent's husband's UCB and employment income had been properly reported and budgeted by the department, the respondent would only have been eligible to receive \$633 in FAP benefits. The respondent received \$5744 in FIP benefits during the alleged fraud period of January, 2002 through November, 2002. If the

income had been properly reported and budgeted by the department, the respondent would only have been eligible to receive \$444 in FIP benefits. (Department Exhibit 87 - 144)

7. Respondent failed to report her husband was residing with her, and his employment income and UCB was not included in her FIP and FAP budgets, resulting in a FAP overissuance for the months of January, 2002 through November, 2002, in the amount of \$3509 and a FIP overissuance for the months of January, 2002 through November, 2002, in the amount of \$5300. (Department Exhibit 99 - 144)

8. Respondent was clearly instructed and fully aware of her responsibility to report all household circumstances accurately to the department.

9. Respondent was physically and mentally capable of performing her reporting responsibilities.

10. Respondent has not committed any previous intentional FAP or FIP program violations.

11. A Notice of Disqualification Hearing was mailed to respondent at the last known address and was not returned by the U.S. Post Office as undeliverable. Respondent's last known address is: [REDACTED]

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department

policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In this case, the department has requested a disqualification hearing to establish an overissuance of benefits as a result of an IPV and the department has asked that respondent be disqualified from receiving benefits. The department's manuals provide the following relevant policy statements and instructions for department caseworkers:

BENEFIT OVERISSUANCES

DEPARTMENT POLICY

All Programs

When a client group receives more benefits than they are entitled to receive, DHS must attempt to recoup the overissuance (OI). PAM, Item 700, p. 1.

Definitions

The **Automated Recoupment System (ARS)** is the part of CIMS that tracks all FIP, SDA and FAP OIs and payments, issues automated collection notices and triggers automated benefit reductions for active programs.

A **claim** is the resulting debt created by an overissuance of benefits.

The **Discovery Date** is determined by the Recoupment Specialist (RS) for a client or department error. This is the date the OI is known to exist and there is evidence available to determine the OI type. For an Intentional Program Violation (IPV), the Office of Inspector General (OIG) determines the discovery date. This is the date the referral was sent to the prosecutor or the date the OIG requested an administrative disqualification hearing.

The **Establishment Date** for an OI is the date the DHS-4358A-D, Repay Agreement, is sent to the client and for an IPV, the date the DHS-4357 is sent notifying the client when the disqualification and recoupment will start. In CIMS the “establishment date” has been renamed “notice sent date.”

An **overissuance (OI)** is the amount of benefits issued to the client group or CDC provider in excess of what they were eligible to receive. For FAP benefits, an OI is also the amount of benefits trafficked (traded or sold).

Overissuance Type identifies the cause of an overissuance.

Recoupment is a DHS action to identify and recover a benefit OI. PAM 700, p. 1.

PREVENTION OF OVERISSUANCES

All Programs

DHS must inform clients of their reporting responsibilities and act on the information reported within the Standard of Promptness (SOP).

During eligibility determination and while the case is active, clients are repeatedly reminded of reporting responsibilities, including:

- . Acknowledgments on the application form, **and**
- . Explanation at application/redetermination interviews, **and**
- . Client notices and program pamphlets.

DHS must prevent OIs by following PAM 105 requirements and by informing the client or authorized representative of the following:

- . Applicants and recipients are required by law to give complete and accurate information about their circumstances.
- . Applicants and recipients are required by law to promptly notify DHS of all changes in circumstances within 10 days. FAP Simplified Reporting (SR) groups are required to report only when the group's actual gross monthly income exceeds the SR income limit for their group size.
- . Incorrect, late reported or omitted information causing an OI can result in cash repayment or benefit reduction.
- . A timely hearing request can delete a proposed benefit reduction.

INTENTIONAL PROGRAM VIOLATION

DEFINITIONS

All Programs

Suspected IPV

Suspected IPV means an OI exists for which all three of the following conditions exist:

- . The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- . The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- . The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

Intentional Program Violation (IPV) is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. PAM, Item 720, p. 1.

The federal Food Stamp regulations read in part:

- (c) Definition of Intentional Program Violation. Intentional Program Violation shall consist of having intentionally:
- (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or
 - (2) committed any act that constitutes a violation of the Food Stamp Act, the Food Stamp Program Regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of coupons, authorization cards or reusable documents used as part of an automated benefit delivery system (access device). 7 CFR 273.16(c).

The federal Food Stamp regulations read in part:

(6) Criteria for determining intentional program violation. The hearing authority shall base the determination of intentional program violation on clear and convincing evidence which demonstrates that the household member(s) committed, and intended to commit, intentional program violation as defined in paragraph (c) of this section. 7 CFR 273.16(c)(6).

IPV

FIP, SDA AND FAP

IPV exists when the client/AR is determined to have committed an Intentional Program Violation by:

- . A court decision.
- . An administrative hearing decision.
- . The client signing a DHS-826, Request for Waiver of Disqualification or DHS-83, Disqualification Consent Agreement, or other recoupment and disqualification agreement forms. PAM, Item 720, p. 1.

FIP Only

The Aid to Families with Dependent Children (ADC) program was succeeded by the Family Independence Program (FIP). Treat these programs as interchangeable when applying IPV disqualification policy.

Example: Clients who committed an IPV while receiving ADC are to be disqualified under the FIP program. PAM, Item 720, p. 2.

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. PAM 720, p. 2.

MA and CDC Only

IPV exists when the client/AR or CDC provider:

- . is found guilty of fraud by a court, **or**
- . signs a DHS-4630 **and** the prosecutor or Office of Inspector General (OIG) authorizes recoupment in lieu of prosecution. PAM, Item 720, p. 2.
- . is found responsible for the IPV by an administrative law judge conducting an IPV or Debt Establishment Hearing. PAM, Item 720, p. 2.

OVERISSUANCE AMOUNT

FIP, SDA, CDC and FAP Only

The amount of the OI is the amount of benefits the group or provider actually received minus the amount the group was eligible to receive. PAM 720, p. 6.

FAP Only

When the OI involves two or more FAP groups which should have received benefits as one group, determine the OI amount by:

- . Adding together all benefits received by the groups that must be combined, **and**
- . Subtracting the correct benefits for the one combined group. PAM 720, pp. 6-7.

FAP Trafficking

The OI amount for trafficking-related IPV's is the value of the trafficked benefits as determined by:

- . the court decision, **or**

- . the individual's admission, **or**
- . documentation used to establish the trafficking determination. PAM 720, p. 7.

IPV Hearings

FIP, SDA, CDC, MA and FAP Only

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings for cases when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - . The total OI amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**
 - . The total OI amount is less than \$500, **and**
 - .. The group has a previous IPV, **or**
 - .. The alleged IPV involves FAP trafficking, **or**
 - .. The alleged fraud involves concurrent receipt of assistance (see PEM 222), **or**
 - .. The alleged fraud is committed by a state/government employee.

Excluding FAP, OIG will send the OI to the RS to process as a client error when the DHS-826 or DHS-830 is returned as undeliverable and no new address is obtained. PEM, Item 720, p. 10.

DISQUALIFICATION

FIP, SDA and FAP Only

Disqualify an active **or** inactive recipient who:

- . is found by a court or hearing decision to have committed IPV, **or**
- . has signed a DHS-826 or DHS-830, **or**
- . is convicted of concurrent receipt of assistance by a court, **or**
- . for FAP, is found by SOAHR or a court to have trafficked FAP benefits.

A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. PAM 720, pp. 12-13.

Standard Disqualification Periods

FIP, SDA and FAP Only

The standard disqualification period is used in all instances except when a **court** orders a different period (see **Non-Standard Disqualification Periods**, in this item).

Apply the following disqualification periods to recipients determined to have committed IPV:

- . One year for the first IPV
- . Two years for the second IPV
- . Lifetime for the third IPV

FIP and FAP Only

- . Ten years for concurrent receipt of benefits (see PEM 203). PAM 720, p. 13.

In this case, the department has established that respondent was aware of the responsibility to report her household circumstances accurately to the department. Department policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within ten days. PAM, item 105, p. 7. Respondent has no apparent physical or mental impairment that limits the understanding or ability to fulfill the reporting responsibilities. The respondent

completed an application for assistance on March 22, 2001 and March 1, 2002. On both of these applications, the respondent indicated that she was living with her children, but not her husband.

However, the evidence presented shows that the respondent's husband was living with her at the time and that his employment income and UCB should have been budgeted for the FIP and FAP cases.

The respondent and [REDACTED] were married on June 18, 1999. The respondent reported on her applications that she did not reside with her husband. However, in November, 2002, two of the respondent's children were removed from her home by CPS. At that time, the investigator spoke with [REDACTED], [REDACTED] mother, during a court hearing and she indicated that [REDACTED] had been residing with the respondent for at least a year. The CPS worker provided a statement on November 20, 2002 to the DHS worker handling the respondent's case.

Further, [REDACTED] used the respondent's address when he filed for and received UCB benefits. This would show that he was using the respondent's address as his legal address and that he was living with her at the time of the alleged fraud. Because the respondent failed to report that her husband was living in the home with her, her husband's UCB and employment income was never counted in the FIP or FAP budget.

The respondent did not appear at this hearing to answer the allegations or provide evidence in this case, although the mail was not returned by the postal service. Thus, there is no evidence presented to cast any doubt on the statement provided by [REDACTED] mother or the evidence showing [REDACTED] was using the respondent's address as his home address with the Unemployment Insurance Agency.

This Administrative Law Judge therefore concludes that the department has shown, by clear and convincing evidence, that respondent committed a first intentional violation of the FAP program, resulting in a \$3509 overissuance from January, 2002 through November, 2002 and a first intentional violation of the FIP program, resulting in a \$5300 overissuance for the months of January, 2002 through November, 2002. Consequently, the department's request for FAP and FIP program disqualification and full restitution must be granted.

DECISION AND ORDER

The Administrative Law Judge, based upon the clear and convincing evidence, decides respondent committed a first intentional FAP and FIP violation.

Therefore, it is ORDERED that:

(1) Respondent shall be personally disqualified from participation in the FIP and FAP program for one year, but the rest of the household may participate. This disqualification period shall begin to run immediately as of the date of this order.

(2) Respondent is responsible for full restitution of the \$5300 FIP and \$3509 FAP overissuance caused by her Intentional Program Violation (IPV).
