ADMINISTRATIVE LAW JUDGE: Linda Steadley Schwarb

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on June 25, 2009. The claimant appeared and testified.

ISSUE

Did the Department of Human Services (DHS or department) properly impose a monthly spend-down or deductible upon claimant's Medical Assistance (MA-P)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- 1) Claimant is an ongoing recipient of MA-P benefits in a group consisting of herself.
- 2) Claimant receives Retirement, Survivors and Disability Insurance (RSDI) income in the gross amount of \$736.40 per month. (Department exhibit #2.)

- 3) Claimant receives Worker's Compensation payments in the gross amount of \$1,061 per month. (Department exhibit #3.)
- 4) At the time the department prepared claimant's most recent MA budget, claimant paid monthly health insurance premiums in the amount of \$96.40.
- 5) Based upon claimant's gross monthly income of \$1,797, a protected income level of \$375, and health insurance premium payments of \$96.40 per month, the department computed a MA SSI-related adult budget which established a spend-down or deductible of \$1,305 per month. (Department exhibit #1.)
- 6) On January 29, 2008, the department notified claimant that effective January 1, 2008, the department had imposed a monthly MA spend-down or deductible of \$1,305.
- 7) On April 18, 2008, claimant filed a hearing request to protest the imposition of a monthly spend-down or deductible upon her MA.
- 8) Claimant's MA budget was computed in conformance with policy.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). PEM 105. The State of Michigan has set guidelines for income,

which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- . There is no excess income, **or**
- . Allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines). PEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. PEM 105. Income eligibility exists when net income does **not** exceed the Group 2 needs in PEM 544. PEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. PRT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. PEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the “protected income level” as set forth in the policy contained in the Program Reference Table (PRT). An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However, a MA group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group’s monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. PEM 545; 42 CFR 435.831.

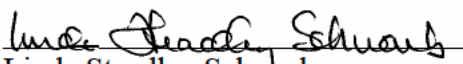

In the present case, the department was required to take into consideration the claimant’s residence in [REDACTED], claimant’s RSDI income of \$736.40 per month, claimant’s Worker’s Compensation income of \$1,061, and the number of persons in the MA group when determining MA eligibility. PEM, Item 241 provides for a \$20 disregard from unearned income.

This resulted in a net monthly income figure of \$1,777. The MA budget prepared for claimant's case correctly reflects claimant's income and disregards from that income. Further, the budget sheet was accurately computed. Pursuant to PRM, Tables, Charts, and Schedules, Item 240, the protected income level of a one person group residing in [REDACTED] is \$375 per month. Claimant paid monthly health insurance premiums of \$96.40. The department correctly calculated that claimant's total excess income for purposes of MA eligibility was \$1,305. The undersigned Administrative Law Judge must find that the department properly calculated claimant's monthly spend-down or deductible for purposes of MA eligibility in conformance with policy at \$1,305.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department of Human Services properly imposed a monthly spend-down or deductible upon claimant's Medical Assistance in conformance with policy.

Accordingly, the department's action in this matter is hereby AFFIRMED.
