#### HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on November 12, 2008. Claimant personally appeared and testified. She was assisted by

#### **ISSUE**

Did the department properly determine claimant's disability status for Medicaid (MA)/retro-MA eligibility purposes?

#### FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant is a married, 61-year-old female with two Associates Degrees but no relevant work history within the past 15 years.
  - (2) On April 28, 2008, claimant applied for disability-based MA/retro-MA.

- (3) On August 28, 2008, the department's State Hearing Review Team (SHRT) issued a prehearing denial on claimant's application (Department Exhibit #2).
- (4) At claimant's hearing on November 12, 2008, her authorized representative presented additional medical evidence which was forwarded to SHRT for a post-hearing review.
- (5) On April 9, 2009, SHRT reversed its earlier denial and authorized retro-MA coverage to January, 2008, the earliest month possible under the department's current policy.
- (6) SHRT determined claimant was disabled pursuant to Med-Voc Rule 202.04, and set a review of her condition to coincide with the month MRT set on a subsequent application approval.

#### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In the present case, SHRT reversed its earlier finding of lack of disability based on additional medical evidence reviewed for the first time after the hearing. This new medical evidence establishes claimant is currently disabled, and has been disabled at all times relevant to her April 28, 2008 MA/retro-MA application.
