HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was held on May 20, 2009. Claimant appeared and testified.

ISSUE

Did the Department of Human Services (Department) properly place Claimant's MA case in spend-down status?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as a material fact:

1. On August 20, 2008 the Department completed a new MA budget. The Department determined based on the RSDI amount the Claimant had excess income for MA and thus placed the Claimant's case into a spend down.
2. The Claimant filed a request for hearing.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Michigan provides MA for eligible clients under two general classifications: Group 1 and Group 2 MA. Claimant falls under Group 2 MA classification which consists of client's whose eligibility results from the state designating types of individuals as "medically needy." MCL 400.106; MSA 16.490 (16), MCL 400.107; MSA 16.490(17), and PEM, Item 105.

In order to qualify for Group 2 MA, a medically needy client must have income which is equal to or less than the protected basic maintenance level. Department policy sets forth the method for determining the protected basic maintenance level by considering: (1) the protected income level; (2) the amount diverted to dependents; (3) health insurance premiums; and (4) remedial services if determining eligibility for clients in adult-care homes. The protected income level is a set amount for non-medical needs such as shelter, food and incidental expenses. In all other cases other than those involving long-term care, the appropriate protected income level must be taken from PRT 240. PEM Item 545, and 42 CFR 435.811 through 435.814. If the individual's income exceeds the protected income level, the excess amount must be used to pay medical expenses before Group 2 MA coverage can begin. This process is known as "spend-

down.” Policy requires the agency to count and budget all income received that is not specifically excluded. There are three main types of income: countable earned, countable unearned and excluded.

In the present case, Claimant’s total countable income is \$1080.40. The Claimant’s protected income level is \$375. A After subtracting the total needs of the Claimant figured at \$471.40, the Claimant would be left with \$588 spend-down amount. The Department properly completed a budget reflected all countable sources of income and determined correctly that the Claimant would only qualify for MA under a spend-down case.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department properly placed Claimant’s MA case in spend-down status and in determining Claimant’s spend-down amount.

Accordingly the Department’s decision is hereby AFFIRMED.
