RECONSIDERATION DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; MCL 400.37; and MAC R 400.919 upon an Order of Reconsideration granted on January 30, 2009.

ISSUE

Is Claimant entitled to a hearing on whether he meets the disability standard for Medical Assistance based on disability (MA-P)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence finds as material fact:

1. On February 17, 2006, Claimant applied for MA-P and retroactive MA-P benefits.
2. The Medical Review Team denied Claimant's application for MA-P benefits.
3. On April 7, 2006, the Department sent notice of the denial of MA-P to Claimant.
4. On July 3, 2006, Ingham County Department of Human Services (DHS) received Claimant's hearing request from Claimant's authorized representative, L & S Associates, Inc.
5. L & S filed the hearing request to protest the denial of Claimant's application for MA-P and retro MA-P benefits.

6. The hearing request was received by the State Office of Administrative Hearings and Rules (SOAHR) on July 12, 2006.
7. On July 22, 2006, SOAHR for DHS issued a letter stating that a hearing will not be scheduled since it had received information from Claimant's local DHS office that his issue with DHS has been resolved; and the letter stated further that if the problem that Claimant referred to in his hearing request has not been resolved he must respond immediately to SOAHR.
8. On December 28, 2006, SOAHR received a letter, from L & S Associates, stating that Claimant's issue regarding the denial of Medicaid has not been resolved, and Claimant has a right to a fair hearing on his Medicaid denial.
9. On March 22, 2007, SOAHR received Claimant's "Motion to Compel Scheduling of Hearing."
10. In addition to receiving the Motion, SOAHR received additional documentation which establishes that Claimant had an administrative hearing before a Social Security Administration (SSA) Administrative Law Judge who determined that Claimant has been disabled as defined in the Social Security Act "since [REDACTED], **the amended alleged onset date of disability.**"
11. According to the Decision issued by the SSA Administrative Law Judge, **Claimant, through his counsel, amended the alleged onset date of disability to [REDACTED]**, which withdrew his request for a hearing on the Title II claim.
12. On January 30, 2009, SOAHR for DHS granted the request for Reconsideration and issued a Notice of Reconsideration to Claimant and L & S Associates.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).
