ISSUE

Did the Department of Human Services (the department) properly deny claimant's application for Medical Assistance (MA-P) and State Disability Assistance (SDA)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On August 1, 2007, claimant filed an application for Medical Assistance, State Disability Assistance and retroactive Medical Assistance benefits alleging disability.

(2) On October 25, 2007, the Medical Review Team denied claimant's application stating that claimant could perform other work.

(3) On October 29, 2007, the department caseworker sent claimant notice that her application was denied.

(4) On April 4, 2008, claimant's representative filed a request for a hearing to contest the department's negative action.

(5) On May 12, 2008, the State Hearing Review Team again denied claimant's application and requested additional medical information.

(6) The hearing was held on August 6, 2008. At the hearing, claimant waived the time periods and requested to submit additional medical information.

(7) Additional medical information was submitted and sent to the State Hearing Review Team on November 17, 2009 at which time the State Hearing Review Team again stated that there was insufficient information in the file.

(8) It should be noted that the notice was sent out on October 29, 2007. Claimant's representative did not file a request for a hearing until April 4, 2008 which is beyond the 90 day time period.

(9) On the date of hearing, claimant was a 54-year-old woman whose birth date is [REDACTED]. Claimant was 5' 6" tall and weighed 333 pounds. Claimant attended the 9th grade and had no GED. Claimant was able to read and write, but no big words, and did have basic math skills.

(10) Claimant last worked in 2006 as a [REDACTED] cashier and stock person. Claimant has also worked in packaging packing car parts, at [REDACTED] as a carhop, and a stock and cashier person at [REDACTED].

(11) Claimant alleges as disabling impairments: diabetes mellitus, hypertension, anxiety, depression, and obesity.
