Reg. No: 2009-11311
Issue No: [REDACTED]
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

Wayne County DHS

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on February 25, 2009. Claimant appeared and testified.

ISSUE

Did the Department of Human Services properly deny Claimant's Family Independence Program (FIP) application for not completing a Family Assessment Screening Tool (FAST) within 30 days?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On October 27, 2008, claimant submitted an application for Family Independence Program (FIP) benefits. Claimant was given notice and instructions to complete a Family Assessment Screening Tool (FAST) within 30 days.

(2) On November 1, 2008, claimant accessed the computer program used for completing a Family Assessment Screening Tool (FAST). Claimant completed the Family Assessment Screening Tool (FAST) and at the end of the session claimant was given a confirmation number by the computer system. For reasons which cannot be discovered by available evidence, the computer system does not register claimant's access to the program as resulting in completion of the Family Assessment Screening Tool (FAST).

(3) On December 11, 2008, the DHS caseworker checked the computer system, and saw that the system did not register that claimant had completed the Family Assessment Screening Tool (FAST). In accordance with department policy, the caseworker denied claimant's Family Independence Program (FIP) application. Claimant was sent an Application Eligibility Notice form (DHS-1150).

(4) On December 15, 2008, claimant met with the caseworker and provided the confirmation number she had received from the computer system. The caseworker searched the system based on the confirmation number and correct identifying information came up for claimant. However, the system still failed to indicate that claimant had successfully completed the Family Assessment Screening Tool (FAST). Claimant submitted a request for hearing.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (formerly known as the Family Independence Agency) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative

Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The department's policies are available on the internet through the department's website.

**FAILURE TO MEET EMPLOYMENT AND/OR
SELSUFFICIENCY-RELATED REQUIREMENTS:**

FIP

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance. Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

All Work Eligible Individual (WEI) and adult non-WEIs (except ineligible grantees, clients deferred for lack of child care (DC) and disqualified aliens), see PEM 228, who fail, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

Depending on the case situation, penalties include the following:

- Delay in eligibility at application.
- Ineligibility (denial or termination of FIP with no minimum penalty period).
- Case closure for a minimum of three or 12 months.

See PEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see PEM 233C.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF SUFFICIENCY RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

Noncompliance of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

Exception: Do not apply the three or 12 month penalty to ineligible caretakers, clients deferred for lack of child care (DC) and disqualified aliens. Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time.

- Failing or refusing to:
 - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

Note: FIS should clear the FAST Fall Out Report and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST non-completion.

- Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).

Note: FIS must have scheduled a FSSP completion appointment with the client and the client failed to attend before considering a client noncompliant for FSSP non-completion.

- Comply with activities assigned to on the Family Self Sufficiency Plan (FSSP) or PRPFC.
- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting.
- Participate in employment and/or self-sufficiency-related activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

Refusing Suitable Employment.

Refusing suitable employment means doing any of the following:

- Voluntarily reducing hours or otherwise reducing earnings.

- Quitting a job (see exception below).

Exception: This does NOT apply if:

- The MWA verifies the client changed jobs or reduced hours in order to participate in an MWA approved education and training program.
 - A teen parent or dependent child quits a seasonal job to return to a high school or GED program.
- Firing for misconduct or absenteeism (not for incompetence).

Note: Misconduct sufficient to warrant firing includes any action by an employee or other adult group member that is harmful to the interest of the employer, and is done intentionally or in disregard of the employer's interest, or is due to gross negligence. It includes but is not limited to drug or alcohol influence at work, physical violence, and theft or willful destruction of property connected with the individual's work.

- Refusing a bona fide offer of employment or additional hours up to 40 hours per week. A bona fide offer of employment means a definite offer paying wages of at least the applicable state minimum wage. The employment may be on a shift; full or part time up to 40 hours per week; and temporary, seasonal or permanent.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

NONCOMPLIANCE PENALTIES AT APPLICATION

Noncompliance by a WEI while the application is pending results in group ineligibility. A WEI applicant who refused employment without good cause, within 30 days prior to the date of application or while the application is pending must have benefits delayed.

A good cause determination is not required for applicants who are noncompliant prior to FIP case opening.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure.

Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Begin the sanction period with the first pay period of a month. Penalties are automatically calculated by the entry of noncompliance without good cause on the FSSP. This applies to active FIP cases, including those with a member add who is a WEI JET participant.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirements within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

HEARINGS

Expedited Hearings

Staff must identify cases for SOAHR (administrative hearings) when a client files a hearing based on closure due to noncompliance with an employment and/or self-sufficiency related activity. SOAHR has agreed to expedite these hearing requests in an effort to engage clients in a timely manner and improve the state's overall work participation rate.

Write "**Expedited Hearing E&T**" at the top of the hearing request so that it can be easily identified as a priority. Refer to PAM 600, "[Expedited Hearings](#)" for additional instructions.

Hearing Decisions

When a hearing decision is upheld for noncompliance, impose the penalty for the first full month possible for either 3 or 12 months. Do not recoup benefits.

In this case claimant has presented a valid confirmation number and provided an accurate detailed description of the computer program activity involved in completing a Family Assessment Screening Tool (FAST). A search with the confirmation number pulled up information for Aisha King, with correct corresponding identification information. The computer system report that shows claimant did not complete a Family Assessment Screening Tool (FAST) list claimant as Aisha Smalls. Claimant was formerly Smalls and is now married and uses King as her last name. The evidence in the record is not sufficient to determine exactly why the computer system does not register Claimant as having completed the Family Assessment Screening Tool (FAST). It is only speculation, but the discrepancy in last name seems like a potential reason for claimant not registering as having completed the Family

Assessment Screening Tool (FAST). The evidence presented by claimant is sufficient to convince this Administrative Law Judge that she did in fact complete the Family Assessment Screening Tool (FAST). The caseworker's action was not incorrect, but was based on incorrect information provided by the computer system.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services DID NOT properly deny Claimant's Family Independence Program (FIP) application for not completing a Family Assessment Screening Tool (FAST) within 30 days.

It is further ORDERED that the application be reinstated and further processed to determine Claimant's eligibility for Family Independence Program (FIP) benefits. If Claimant is determined eligible as of the application date, any benefits missed shall be supplemented.
