Reg. No: 2009-12290
Issue No: 2026
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

Mainstee County DHS

ADMINISTRATIVE LAW JUDGE: Marlene B. Magyar

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on June 25, 2009. Claimant personally appeared and testified.

ISSUE

Did the department properly determine at review that claimant's Medicaid (MA) case must be placed in deductible status with a [REDACTED] monthly deductible amount?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) At all times relevant claimant had an ongoing, full-coverage MA case in [REDACTED]

[REDACTED]

(2) Claimant's case was scheduled for a mandatory review in November, 2008, to determine whether or not he was eligible for continued full-coverage MA.

(3) At review, the department counted claimant's [REDACTED] monthly RSDI benefits and his [REDACTED] monthly pension to see whether he was still eligible for MA without a deductible.

(4) After the department deducted a mandatory [REDACTED] disregard from claimant's gross total combined income amount, [REDACTED] of countable net income remained (Department Exhibit #1, pgs 14 and 15).

(5) The department also considered the [REDACTED] Protected Income Level established by policy at RFT 240, pg 1 (Department Exhibit #1, pg 15, line H 2).

(6) When the department subtracted claimant's Protect Income Level (i. e., [REDACTED]) from his countable, net income (i. e., [REDACTED]), a [REDACTED] monthly deductible ("spend-down") resulted (Department Exhibit #1, pg 15).

(7) On November 19, 2008, the department mailed written notice to claimant advising him of this deductible and of his monthly deductible amount, whereupon claimant requested a hearing (Department Exhibit #1, pg 21).

(8) Claimant stated at the hearing this deductible is too high and he will have great difficulty affording his other, basic living expenses if he is required to incur [REDACTED] in medical expenses before his full-coverage MA can begin.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In order to qualify for Group 2 MA coverage, a medically needy person must have income which is equal to or less than the Protected Income Level. This dollar figure is a set amount for all non-medical needs, such as food, shelter, gas, electricity and incidental expenses. If an individual's income exceeds the Protected Income Level, the excess amount must be used to pay medical expenses before Group 2 MA coverage can begin. This is known as a deductible case.

Specifically, the department's policies relating to deductible cases are as follows:

MA GROUP 2 INCOME ELIGIBILITY

Deductible

Deductible is a process which allows a client with excess income to become eligible for Group 2 MA if sufficient allowable medical expenses are incurred.

Active Deductible

Open an MA case **without ongoing Group 2 MA coverage** on CIMS as long as:

- . The fiscal group has excess income, **and**
- . At least one fiscal group member meets all other Group 2 MA eligibility factors.

Such cases are called active deductible cases. Periods of MA coverage are added on CIMS each time the group meets its deductible.

Deductible Period

Each calendar month is a separate spend-down period.

Deductible Amount

The fiscal group's monthly excess income is called a deductible amount. PEM 545, pp. 8-9.

Meeting a Deductible

Meeting a deductible means reporting and verifying allowable medical expenses (defined in “**EXHIBIT I**”) that equal or exceed the deductible amount for the calendar month tested. PEM, Item 545, p. 9.

The group must report expenses by the last day of the third month following the month for which it wants MA coverage. PAM 130 explains verification and timeliness standards. PEM, Item 545, p. 9.

PROCESSING CHANGES

The group must report changes in circumstances within 10 days. Review the group’s eligibility when a change that may affect eligibility is reported. PEM, Item 545, p. 10.

Expenses Reported After Coverage Authorized

Do not alter the MA eligibility begin date if you have already authorized coverage on CIMS. However, any expenses the group reports that were incurred from the first of such a month, through the day before the MA eligibility begin date might be countable as old bills. PEM, Item 545, p. 10.

EXHIBIT I - MEDICAL EXPENSES

A **medical expense** must be incurred for a medical service listed below. Except for some transportation, the actual charge(s) minus liable third party resource payments counts as an allowable expense. However, not all sources of payment are considered liable third party resources. See “**THIRD PARTY RESOURCES, EXHIBIT 1A.**”

Note: A charge cannot be incurred until the service is provided. PEM, Item 545, p. 12.

Count allowable expenses incurred during the month you are determining eligibility for, whether paid or unpaid. You may also count certain **unpaid** expenses from prior months that have not been used to establish MA eligibility. See “**OLD BILLS, EXHIBIT 1B**”. PEM, Item 545, p. 13.

The inclusion of claimant's monthly income into his MA budget is required by policy. PEM Item 500 and 545. Unfortunately for claimant, the imposition of a monthly deductible is inevitable in his case. Additionally, this Administrative Law Judge has reviewed the department's budgeting process and she finds all calculations were properly made. Consequently, the department's MA deductible must be upheld because it is in complete compliance with the department's policies, and with the governing regulations which those policies are based.

Claimant's grievance centers on dissatisfaction with the department's current policy. Claimant's request is not within the scope of authority delegated to this Administrative Law Judge pursuant to a written directive signed by the Department of Human Services Director, which states:

Administrative Law Judges have no authority to make decisions on constitutional grounds, overrule statutes, overrule promulgated regulations or overrule or make exceptions to the department policy set out in the program manuals.

Furthermore, administrative adjudication is an exercise of executive power rather than judicial power, and restricts the granting of equitable remedies. *Michigan Mutual Liability Co. v Baker*, 295 Mich 237; 294 NW 168 (1940).

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the department properly determined at review that claimant's MAcase must be placed in deductible status with a [REDACTED] monthly deductible amount.

Accordingly, the department's action is AFFIRMED.
