ISSUE

Did the Department of Human Services (DHS) properly deny claimant's Medical Assistance (MA-P) and State Disability Assistance (SDA) application?

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On 9/10/08, claimant applied for MA-P and SDA with the Michigan DHS.
- (2) Claimant did not apply for retro MA.

- (4) On 9/29/08, the DHS issued notice.

(5) On 10/7/08, claimant filed a timely hearing request.

(6) Claimant testified that he applied for SSI on 8/27/07. Claimant was denied on 1/30/08. Claimant did not file a timely appeal. Claimant testified at the administrative hearing that he is alleging the same impairments. Claimant has had a final SSA disposition.

(7) On 10/21/08, the State Hearings Review Team (SHRT) denied claimant.

### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Michigan administers the federal MA program. In assessing eligibility, Michigan defers to the federal guidelines.

Statutory authority for the SDA program states in part:

- (b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

These federal guidelines state in part:

"Disability" is:

...the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.... 20 CFR 416.905.

Prior to any substantive review, jurisdiction is paramount. Applicable policy and law to the case herein states in part:

### **Final SSI Disability Determination**

SSA's determination that disability or blindness does **not** exist for SSI purposes is **final** for MA if:

- . The determination was made after 1/1/90, **and**
- . No further appeals may be made at SSA, **or**
- . The client failed to file an appeal at any step within SSA's 60-day limit, **and**
- . The client is **not** claiming:
  - .. A totally different disabling condition than the condition SSA based its determination on, **or**
  - .. An additional impairment(s) or change or deterioration in his condition that SSA has **not** made a determination on.

Eligibility for MA based on disability or blindness does **not** exist once SSA's determination is **final**. PEM, Item 260, pp. 2-3.

Relevant federal regulations are found at 42 CFR Part 435. These regulations provide: "An SSA disability determination is binding on a department until the determination is changed by the SSA." 42 CFR 435.541(a)(2)(b)(i). These regulations further provide: "If the SSA

determination is changed, the new determination is also binding on the department.” 42 CFR 435.541(a)(2)(b)(ii).

In this case, there is no dispute relative to the facts. Claimant filed an SSI application on 8/27/07. Claimant was denied on 1/30/08. Claimant did not file a timely appeal as required under federal law. Claimant testified at the administrative hearing that he is alleging the same impairments.

Under the above-cited policy and law, there is no jurisdiction for this Administrative Law Judge to proceed with a substantive review. Claimant has had a final disposition by the Social Security Administration. Thus, the department’s actions are upheld.

It is noted that claimant testified that he has filed a new application with SSA. The law provides that if the Social Security Administration reverses its prior denial, then that new decision would be binding on the State department. As the case stands, this ALJ has no jurisdiction.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department’s actions were correct.

Accordingly, the department’s determination in this matter is hereby UPHELD.
