Reg. No: 2009-14805

Issue No: 2009, 4031

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

May 28, 2010

Wayne County DHS

ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on May 28, 2009. Claimant personally appeared and testified.

ISSUE

Did the Department of Human Services (the department) properly deny claimant's application for Medical Assistance (MA-P) and retroactive Medical Assistance (retro MA-P)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On April 21, 2008, claimant filed an application for Medical Assistance, and State Disability Assistance benefits alleging disability.
- (2) On November 21, 2008, the Medical Review Team denied claimant's application stating that claimant could perform other work.
- (3) On December 16, 2008, the department caseworker sent claimant notice that her application was denied.
- (4) On January 26, 2009, claimant filed a request for a hearing to contest the department's negative action.

- (5) On March 19, 2019, the State Hearing Review Team again denied claimant's application stating: they had insufficient evidence and requested a current mental status examination for the client.
- (6) The hearing was held on May 28, 2009. At the hearing, claimant waived the time periods and requested to submit additional medical information.
- (7) An August 5, 2010, a Social Security SOLQ was provided to this Administrative Law Judge which indicates that claimant received \$971 in RSDI benefits from the Social Security Administration with a disability onset date of January 5, 2007.

CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, et seq., and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Because of the Social Security Administration determination it is not necessary for the Administrative Law Judge to discuss the issue of disability BEM, Item 260. The department is required to initiate a determination of claimant's financial eligibility for the requested benefits if not previously done.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the claimant meets the definition of medically disabled under the Medical Assistance and State Disability Assistance benefit program as of the April 28, 2008, application date.

Accordingly, the department's decision is REVERSED. The department is ORDERED to initiate a review of the April 21, 2008, application if it has not already done so to determine if all other non-medical eligibility criteria are met. The department shall inform the claimant of a determination in writing.

The department is ORDERED to conduct a review a medical review of claimant's case in September 2011. If claimant is still receiving from the Social Security Administration and no further medical review is required. If claimant is no longer in payment status and no longer approved for Social Security Administration benefits, the department shall assist claimant in gathering updated medical information in the form of updated treatment notes, mental residual functional capacity assessment, psychological exam, and physical examination.
