Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

Kalamazoo County DHS

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on April 28, 2009. Claimant appeared and testified.

ISSUE

Did the Department of Human Services properly sanction claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was an ongoing recipient of Family Independence Program (FIP) benefits. Claimant was required to participate in the Work First/Jobs, Education and Training Program (JET) 30 hours per week.

(2) On January 28, 2009, claimant began employment for 20 hours per week as a room attendant. Claimant was required to verify another 10 hours per week of community service and/or job search activity. Claimant was required to turn in verification of her work and other participation activity to Work First.

(3) For the week of February 1-7, 2009, Work First did not receive any documentation or logs showing claimant's employment hours or other participation activities.

(4) On February 13, 2009, claimant received a pay check for her employment. Claimant was paid for 33.25 hours of work during the two week pay period.

(5) For the week of February 8-14, 2009, Work First did not receive any documentation or logs showing claimant's employment hours or other participation activities.

(6) For the week of February 15-21, 2009, Work First did not receive any documentation or logs showing claimant's employment hours or other participation activities.

(7) On February 24, 2009, Work First requested a triage meeting due to claimant's failure to verify required hours of participation.

(8) On February 25, 2008, claimant was sent a Notice of Non-Compliance (DHS-2444). The notice also scheduled a triage meeting for March 5, 2009.

(9) On February 25, 2008, claimant was discharged from her employment as a room attendant.

(10) On February 27, 2009, claimant received a pay check for her employment. Claimant was paid for 28 hours of work during the two week pay period.

(11) On March 5, 2009, claimant attended the triage meeting. Claimant asserted she had been turning in the required verifications to Work First. Claimant asserted she was incarcerated on February 18 through 23, 2009.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (formerly known as the Family Independence Agency) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The department's policies are available on the internet through the Department's website.

PEM 233A FAILURE TO MEET EMPLOYMENT AND/OR SELFSUFFICIENCY-RELATED REQUIREMENTS:

FIP

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance. Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

All Work Eligible Individual (WEI) and adult non-WEIs (except ineligible grantees, clients deferred for lack of child care (DC) and disqualified aliens), see PEM 228, who fail, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

Depending on the case situation, penalties include the following:

- Delay in eligibility at application.
- Ineligibility (denial or termination of FIP with no minimum penalty period).
- Case closure for a minimum of three or 12 months.

See PEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see PEM 233C.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF SUFFICIENCY RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

Noncompliance of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

Exception: Do not apply the three or 12 month penalty to ineligible caretakers, clients deferred for lack of child care (DC) and disqualified aliens. Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time.

- Failing or refusing to:
 - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

Note: FIS should clear the FAST Fall Out Report and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST non-completion.

- Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).

Note: FIS must have scheduled a FSSP completion appointment with the client and the client failed to attend before considering a client noncompliant for FSSP non-completion.

- Comply with activities assigned to on the Family Self Sufficiency Plan (FSSP) or PRPFC.
- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting.
- Participate in employment and/or self-sufficiency-related activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

Refusing Suitable Employment.

Refusing suitable employment means doing any of the following:

- Voluntarily reducing hours or otherwise reducing earnings.
- Quitting a job (see exception below).

Exception: This does NOT apply if:

- The MWA verifies the client changed jobs or reduced hours in order to participate in an MWA approved education and training program.
- A teen parent or dependent child quits a seasonal job to return to a high school or GED program.
- Firing for misconduct or absenteeism (not for incompetence).

Note: Misconduct sufficient to warrant firing includes any action by an employee or other adult group member that is harmful to the interest of the employer, and is done intentionally or in disregard of the employer's interest, or is due to gross negligence. It includes but is not limited to drug or alcohol influence at work, physical violence, and theft or willful destruction of property connected with the individual's work.

- Refusing a bona fide offer of employment or additional hours up to 40 hours per week. A bona fide offer of employment means a definite offer paying wages of at least the applicable state minimum wage. The employment may be on a shift; full or part time up to 40 hours per week; and temporary, seasonal or permanent.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

NONCOMPLIANCE PENALTIES AT APPLICATION

Noncompliance by a WEI while the application is pending results in group ineligibility. A WEI applicant who refused employment without good cause, within 30 days prior to the date of application or while the application is pending must have benefits delayed.

A good cause determination is not required for applicants who are noncompliant prior to FIP case opening.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure.

Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Begin the sanction period with the first pay period of a month. Penalties are automatically calculated by the entry of noncompliance without good cause on the FSSP. This applies to active FIP cases, including those with a member add who is a WEI JET participant.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirements within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

HEARINGS

Expedited Hearings

Staff must identify cases for SOAHR (administrative hearings) when a client files a hearing based on closure due to noncompliance with an employment and/or self-sufficiency related activity. SOAHR has agreed to expedite these hearing requests in an effort to engage clients in a timely manner and improve the state's overall work participation rate.

Write "**Expedited Hearing E&T**" at the top of the hearing request so that it can be easily identified as a priority. Refer to PAM 600, "[Expedited Hearings](#)" for additional instructions.

Hearing Decisions

When a hearing decision is upheld for noncompliance, impose the penalty for the first full month possible for either 3 or 12 months. Do not recoup benefits.

In this case, the issue is whether claimant met her 30 hours of required participation in the Work First/Jobs, Education and Training Program (JET). Claimant was supposedly working 20 hours per week and doing 10 hours per week of job search and/or community service. Work First asserts that claimant was not providing adequate (any) verification of her participation. Claimant asserts she was meeting her participation requirements (with the exception of the days she was incarcerated) by working 20 hours per week and doing 10 hours of job search and/or community service. Claimant asserts she turned in verification of her participation activities. Claimant asserts she was doing community service at a carwash and liquor store and the department questioned whether that would be an approved location for community service under the Work First/Jobs, Education and Training Program (JET).

In spite of all the disputed issues presented in the hearing, the Verification of Employment (DHS Form 38) received from claimant's employer contains definitive information sufficient to decide this case. The hours claimant worked during her short lived employment do not equal 20 hours per week. Even if claimant's assertion she was accomplishing and submitting 10 hours per week of approved participation, she was not meeting her 30 hour total participation requirements per week.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services properly sanctioned claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHELD.
