Issue No: 3003

Case No: ██████████

Load No: ██████████

Kent County DHS

ADMINISTRATIVE LAW JUDGE:

Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from ██████████ on May 6, 2009.

ISSUE

Whether the Department properly computed the Claimant's Food Assistance benefits ("FAP")?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant is a FAP recipient.
- (2) On January 28, 2009, the Department completed a new FAP budget due to an increase in Claimant's ██████████, an increase in Claimant's rent from ██████████ month, to include ██████████ for non-heat electric and to remove the heating/cooling/utility(incl

telephone) expense credit to which he was no longer entitled. The new FAP budget resulted in Claimant's monthly FAP allotment being reduced from [REDACTED].

(Exhibits 1-4)

(3) On January 28, 2009, the Department sent Claimant a Notice of Case Action which explained the reduction of Claimant's monthly FAP benefits effective February 10, 2009.

(4) On February 19, 2009, the Department received the Claimant's hearing request protesting the reduction of his FAP benefits.

CONCLUSIONS OF LAW

The Food Assistance Program, formerly known as the Food Stamp ("FS") program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations ("CFR"). The Department of Human Services ("DHS"), formally known as the Family Independence Agency, administers the FAP program pursuant to MCL 400.10, *et seq* and MAC R 400.3001-3015. Departmental policies are found in the Program Administrative Manual ("PAM"), the Program Eligibility Manual ("PEM"), and the Program Reference Manual ("PRM").

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI and SSI. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. PEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. PEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

PEM 505

In the instant case, the Claimant agreed with the income and expense figures the Department used in completing the January 28th FAP Budget. With the above said, the Department established that it acted in accordance with departmental policy in computing Claimant's FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in computing Claimant's FAP benefits.

Accordingly, the Department's FAP eligibility determination is **AFFIRMED**.
