HEARING DECISION

ISSUE

Whether the Department properly denied Claimant's application for Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On March 10, 2009, Claimant applied for FAP.
- (2) On April 9, 2009, the Department completed a FAP budget which resulted in a monthly FAP benefit of ██████ due to excess net income. (Exhibits 3, 4, 5, 6, 7, 8, 9, 10, 11)

(3) On April 9, 2009, the Department mailed Claimant an Eligibility Notice which explained that she was not eligible for FAP benefits. (Exhibit 12)

(4) On April 16, 2009, the Department received the Claimant's hearing request protesting the denial of her application for FAP benefits.

### CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM), and the Program Reference Manual (PRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. PEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. PEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

PEM 505

In the instant case, the Claimant did not understand how she could not be eligible for FAP benefits given her family's income and expenses and/or why the Department did not consider all of her family's expenses, but she agreed with the income and expense figures the Department used in completing the April 9<sup>th</sup> FAP Budget. With that said, based on the testimony and documentary evidence offered at hearing, the Department has established that it acted in accordance with policy in denying Claimant's application for FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in denying Claimant's application for FAP benefits.

Accordingly, the Department's FAP eligibility determination is AFFIRMED, it is SO ORDERED.
