Reg. No: 2009-20700
Issue No: 1038
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

Calhoun County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on June 16, 2009. The claimant personally appeared and provided testimony, along with her boyfriend, [REDACTED]

ISSUE

Did the department properly determine the claimant's Family Independence Program (FIP) case should be closed for Work First/Jobs, Education and Training (WF/JET) program noncompliance in April, 2009?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was determined to be a mandatory WF/JET program participant for 20 hours each week.

2. The claimant attended orientation on February 23, 2009. At this time, the claimant signed the “WF/JET Requirements Update 2/20/09”. This indicates (in pertinent part) “[p]articipants must fill out a job lead sheet completely each week documenting job search. These must be received each Tuesday by 11:30 am to be counted. Any sheets turned in late will NOT be counted.” (Department Exhibit 3, 9).

3. The claimant signed a “WF/JET Requirements Update 3/2/09” on March 4, 2009. This form specified that noncompliance includes “[t]urning in an incomplete job leads sheet” and indicates in bold print with asterisks “*MUST BE FILLED OUT CORRECTLY*”. (Department Exhibit 10).

4. The claimant completed her job search logs and received 30 hours of credit for the week of February 22, 2009 and 20 hours of credit for the week of March 1, 2009. (Department Exhibits 12 – 13).

5. The claimant submitted the job search log for the week of March 8, 2009, but she submitted it late. The claimant was required to turn the completed form in by 9:30 am on Mondays, but she turned it in after 9:30 that day.

5. The claimant submitted job search logs for the weeks of March 16 and March 23, 2009, but did not complete the forms. The claimant only indicated the company she had made contact with and a partial address. The claimant did not include the telephone number, person contacted or method of contact (i.e. interview, resume, application, telephone call). Thus, the department determined that the claimant would only receive credit for telephone contacts, or three total hours for each log. (Department Exhibits 14 – 17).

6. WF/JET requested a triage on April 3, 2009, because the claimant was not participating in WF/JET as required. (Department Exhibit 3).

7. The claimant was mailed a Notice of Noncompliance (DHS-2444) on April 3, 2009, scheduling a triage appointment on April 15, 2009. (Department Exhibit 1).

8. The claimant did attend the triage appointment. No good cause was granted for the noncompliance and the case was pended to close on April 13, 2009 for a three-month sanction. (Department Exhibit 2).

9. The claimant submitted a hearing request on April 20, 2009.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

A Work Eligible Individual (WEI), see PEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See PEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see PEM 233C. PEM 233A, p. 1.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
 - .. Appear for a scheduled appointment or meeting.
 - .. Participate in employment and/or self-sufficiency-related activities.
 - .. Accept a job referral.
 - .. Complete a job application.

- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. PEM 233A, pp. 1-2.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination on the DHS-71, Good Cause Determination and the FSSP under the “Participation and Compliance” tab.

See “School Attendance” PEM 201 for good cause when minor parents do not attend school.

Employed 40 Hours

Client Unit

Good cause includes the following:

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

Illness or Injury

The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.

Reasonable Accommodation

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. PEM 233A, pp. 3-4.

No Child Care

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

No Transportation

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

Illegal Activities

The employment involves illegal activities.

Discrimination

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. PEM 233A, p. 4.

Unplanned Event or Factor

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

Comparable Work

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

Long Commute

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**
- . Three hours per day, including time to and from child care facilities. PEM 233A, pp.4-5.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.

- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

Note: Clients not participating with JET must be scheduled for a “triage” meeting between the FIS and the client. This does not include applicants. PEM 233A, p. 7.

Good Cause Established

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

Good Cause NOT Established

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. PEM 233A, pp. 10-11.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, etc. PEM 233A.

In this case, the claimant disputes that she was noncompliant. The claimant indicates that she completed all of her required job searching and the department didn’t give her full credit for her applications. The claimant testified that she was late in turning in the March 8, 2009, job leads log, but that she didn’t have any daycare because her boyfriend had gone to jail that morning. While this could be a reason for this particular instance to be excused, the claimant never brought it to the attention of WF/JET or DHS staff. The claimant admitted in her testimony that she didn’t bring it up at the triage appointment.

However, even if this instance is disregarded, the claimant did not complete the job leads sheets fully for the next couple of weeks. The claimant does not dispute that she signed the “WF/JET Requirements Update 3/2/09”. The noncompliance section of this form very clearly indicates that noncompliance is “[t]urning in an incomplete job leads sheet” and that the job

leads sheets “must be filled out correctly”. The claimant testified that she didn’t know how to complete the forms. However, this is hardly a persuasive argument as the claimant had to sign a form indicating she understood the requirements and could have asked questions about how to complete forms at any time. The only way the department can confirm the contact is if the claimant provides the full information for the business. The claimant admitted in her testimony that she failed to complete the job leads sheet fully. This is noncompliance according to the documentation the claimant signed.

Good cause is defined as a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. PEM 233A. The claimant presents no evidence to show any good cause for her failure to complete the job leads sheets. Thus, this Administrative Law Judge finds that the claimant was noncompliant with WF/JET program requirements without good cause.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly determined the claimant was noncompliant with WF/JET program requirements and properly determined her FIP case should be terminated and sanctioned for a three-month penalty.

Accordingly, the department's actions are UPHeld. SO ORDERED.
