#### **ISSUE**

Whether the Department of Human Services (department) acted in compliance with department policy when it determined claimant's Medical Assistance (MA) benefits?

### FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant asserts that on or about November 2007, he filed an application for MA.
  Claimant does not recall when the application was denied, but recalls that he believed he possibly had until March 2008 to request a hearing.
- (2) Claimant began receiving MA effective March 2008 after the medical review team (MRT) deemed him to be disabled effective March 2008.

(3) became claimant's representative in June 2008. filed a hearing request on the alleged November application January 8, 2009.

### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Clients must complete and sign the appropriate application form:

- DHS-1171, Assistance Application (All Programs).
- DHS-4574, Medicaid Application (Patient of Nursing Home).

An application/DHS-1171-F, Filing Document, with the minimum information, must be registered on ASSIST.

Following registration of the application, you must do all of the following:

- Interview clients when required by policy.
- Determine eligibility for a program within the applicable standard of promptness (SOP).
- Document the eligibility determination on the DHS-1171-C, Eligibility Determination and Certification.
- Inform the client of the eligibility decision. PAM 220 explains the use of client notices.

42 CFR 431, 435

The AHR or, if none, the client has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received anywhere in DHS within the 90 days. PEM 600

In this case, claimant believes that he applied for MA in November 2007. He believes he may have been denied some time later with March 2008 possibly being the deadline for filing a hearing. The department has no record of the alleged application and denial. Claimant has no record of the alleged application and denial. The claimant representative has no personal knowledge or record of the application and denial. As neither the claimant, the claimant representative, nor the department has any record that an application was filed, there is not sufficient evidence to establish that the claimant filed an application in November 2007 which the department then failed to act upon. Accordingly, the department has properly not considered claimant's eligibility for November 2007. Claimant began receiving MA effective March 2008. Finding of Fact 1-3.

## DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services acted properly when determining claimant's eligibility for MA regarding the alleged November 2007 application.

Accordingly, the department's action is HEREBY UPHELD.
