Claimant

Reg. No: 2009-2449
Issue No: 2006; 3008
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
January 28, 2009
Oakland County DHS

ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on January 28, 2009. Claimant personally appeared and testified.

ISSUE

Did the Department of Human Services (the department) properly deny claimant's application for Medical Assistance (MA) and Food Assistance Program (FAP) based upon its determination that claimant did not provide verification information in a timely manner?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was a recipient of Medical Assistance and Food Assistance Program benefits.

(2) Claimant was scheduled for a review for July 2008 for Medical Assistance benefits.

(3) The worker mailed a 3503 Verification Checklist on August 5, 2008 which was due on August 15, 2008.

(4) The application was received on August 11, 2008 but with zero verifications that were requested by the department. There was no I.D., assets or 30 days of current income received.

(5) At that time, claimant also requested Food Assistance Program benefits so the worker registered the Food Assistance for August 11, 2008 at the time the application was received.

(6) Another 3503 Verification Checklist was sent on August 19, 2008 due September 4, 2008 with verifications requested again and added shelter/utilities verification also for the Food Assistance Program request.

(7) There were no verifications received on September 15, 2008 so the worker denied the Food Assistance Program benefits.

(8) At that time also, the worker put the Medical Assistance benefits case into closure because claimant did not provide new verification information.

(9) On September 16, 2008, the department caseworker sent the claimant notice that his application was denied and that his Medical Assistance benefits would be cancelled effective September 30, 2008.

(10) On September 22, 2008, claimant filed a request for a hearing to contest the department's negative action.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. VERIFICATION AND COLLATERAL CONTACTS

DEPARTMENT POLICY

All Programs

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- . required by policy. PEM items specify which factors and under what circumstances verification is required.

- . required as a local office option. The requirement **must** be applied the same for every client. Local requirements may **not** be imposed for MA, TMA-Plus or AMP without prior approval from central office.
- . information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party. PAM, Item 130, p. 1.

Verification is usually required at application/redetermination **and** for a reported change affecting eligibility or benefit level. PAM, Item 130, p. 1.

Verification is **not** required:

- . when the client is clearly ineligible, or
- . for excluded income and assets **unless** needed to establish the exclusion. PAM, Item 130, p. 1.

Obtaining Verification

All Programs

Tell the client what verification is required, how to obtain it, and the due date (see “**Timeliness Standards**” in this item). Use the DHS-3503, Verification Checklist, or for MA redeterminations, the DHS-1175, MA Determination Notice, to request verification. PAM, Item 130, p. 2.

The client must obtain required verification, but you must assist if they need and request help. PAM, Item 130, p. 2.

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If **no** evidence is available, use your best judgment.

Exception: Alien information, blindness, disability, incapacity, incapability to declare one's residence and, for FIP only, pregnancy must be verified. Citizenship and identity must be verified for clients claiming U.S. citizenship for applicants and recipients of FIP, SDA and MA. PAM, Item 130, p. 3.

Timeliness Standards

All Programs (except TMAP)

Allow the client 10 calendar days (**or** other time limit specified in policy) to provide the verification you request. If the client cannot provide the verification despite a reasonable effort, extend the time limit at least once. PAM, Item 130, p. 4.

Send a negative action notice when:

- . the client indicates refusal to provide a verification, **or**
- . the time period given has elapsed and the client has not made a reasonable effort to provide it. PAM, Item 130, p. 4.

MA Only

Send a negative action notice when:

- . the client indicates refusal to provide a verification, **or**
- . the time period given has elapsed. PAM, Item 130, p. 4.

In the instant case, it is undisputed that claimant did not provide the verification information as requested. Therefore, the department has established by the necessary competent, material and substantial evidence on the record that it was acting in compliance with department policy when it chose deny claimant's application and deny claimant's Food Assistance Program application based its determination that claimant did not return verification information.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department has appropriately established on the record that it was acting in compliance with department policy when it denied claimant's application for Food Assistance Program benefits and when it cancelled claimant's Medical Assistance benefits based upon its determination that claimant did not provide verification information in a timely manner. The department has established this case by a preponderance of the evidence.

Accordingly, the department's decision is AFFIRMED.
