Respondent

Reg. No: 2009-25392
Issue No: 3055
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
September 2, 2009
Wayne County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37, 7 CFR 273.16, MAC R 400.3130, and MAC R 400.3178 upon the Department of Human Services (department) request for a disqualification hearing. After due notice, a hearing was held on September 2, 2009. Respondent did not appear at the hearing and it was held in respondent's absence pursuant to 7 CFR 273.16(e), MAC R 400.3130(5), or MAC R 400.3187(5).

ISSUE

Whether respondent committed an Intentional Program Violation (IPV) on the Child Development and Care (CDC) program and whether respondent received an overissuance of benefits that the department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. Department's Office of Inspector General (OIG) filed a hearing request to establish an overissuance of CDC benefits received by respondent as a result of respondent having committed an Intentional Program Violation (IPV).

2. Respondent signed Assistance Application (DHS-1171) on January 16, 2003 to apply for Family Independence Program (FIP) benefits and acknowledged that she understood her failure to give timely, truthful, complete and accurate wage/employment information could result in a civil or criminal action or an administrative claim against her (Department Exhibit 4, pages 19 - 26).

3. Respondent indicated on this application that she was not employed or receiving any income. (Department Exhibit 4, pages 19 - 26).

4. The claimant received CDC services for her three children from January 12, 2003 through June 14, 2003. It is noted that the claimant did call in her CDC hours to the department as evidenced by the code "53" on the CDC payment history. (Department Exhibit 3, pages 17 -18).

5. The claimant was referred to Work First/Jobs, Education and Training (WF/JET) on March 6, 2003. However, the claimant never attended and therefore, did not need any CDC services. (Department Exhibit 2, page 16).

5. Data from "The Work Number" indicates that the claimant stopped working for Office Depot on January 27, 2003. (Department Exhibit 1, pages 7 – 15).

6. Respondent received \$1672.00 each in CDC benefits for three children during the alleged fraud period of January, 2003 through June, 2003. If the claimant had properly reported her circumstances (that she had no need for CDC since she wasn't working or attending WF/JET), the respondent would have been eligible to receive \$0 in CDC benefits. (Department Exhibit 5, pages 27 - 29).

7. Respondent failed to report her actual circumstances in a timely manner, resulting in a CDC overissuance for the months of January, 2003 through June, 2003, in the total amount of \$5016 (\$1672 multiplied by three children). (Department Exhibit 5, pages 27 - 29).

8. Respondent was clearly instructed and fully aware of her responsibility to accurately report all circumstances to the department.

9. Respondent was physically and mentally capable of performing her reporting responsibilities.

10. Respondent has not committed any previous intentional CDC program violations.

11. A Notice of Disqualification Hearing was mailed to respondent at the last known address and was not returned by the U.S. Post Office as undeliverable. Respondent's last known address is: [REDACTED]

CONCLUSIONS OF LAW

The Child Development and Care program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department of Human Services (DHS or department) provides services to adults and children pursuant to MCL 400.14(1) and MAC R 400.5001-5015. Department policies are contained in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In this case, the department has requested a hearing to establish an overissuance of benefits as a result of an IPV. The department's manuals provide the following relevant policy statements and instructions for department caseworkers:

BENEFIT OVERISSUANCES

DEPARTMENT POLICY

All Programs

When a client group receives more benefits than they are entitled to receive, DHS must attempt to recoup the overissuance (OI). PAM, Item 700, p. 1.

Definitions

The **Automated Recoupment System (ARS)** is the part of CIMS that tracks all FIP, SDA and FAP OIs and payments, issues automated collection notices and triggers automated benefit reductions for active programs.

A **claim** is the resulting debt created by an overissuance of benefits.

The **Discovery Date** is determined by the Recoupment Specialist (RS) for a client or department error. This is the date the OI is known to exist and there is evidence available to determine the OI type. For an Intentional Program Violation (IPV), the Office of Inspector General (OIG) determines the discovery date. This is the date the referral was sent to the prosecutor or the date the OIG requested an administrative disqualification hearing.

The **Establishment Date** for an OI is the date the DHS-4358A-D, Repay Agreement, is sent to the client and for an IPV, the date the DHS-4357 is sent notifying the client when the disqualification and recoupment will start. In CIMS the “establishment date” has been renamed “notice sent date.”

An **overissuance (OI)** is the amount of benefits issued to the client group or CDC provider in excess of what they were eligible to receive. For FAP benefits, an OI is also the amount of benefits trafficked (traded or sold).

Overissuance Type identifies the cause of an overissuance.

Recoupment is a DHS action to identify and recover a benefit OI. PAM 700, p. 1.

PREVENTION OF OVERISSUANCES

All Programs

DHS must inform clients of their reporting responsibilities and act on the information reported within the Standard of Promptness (SOP).

During eligibility determination and while the case is active, clients are repeatedly reminded of reporting responsibilities, including:

- . Acknowledgments on the application form, **and**
- . Explanation at application/redetermination interviews, **and**
- . Client notices and program pamphlets.

DHS must prevent OIs by following PAM 105 requirements and by informing the client or authorized representative of the following:

- . Applicants and recipients are required by law to give complete and accurate information about their circumstances.
- . Applicants and recipients are required by law to promptly notify DHS of all changes in circumstances within 10 days. FAP Simplified Reporting (SR) groups are required to report only when the group's actual gross monthly income exceeds the SR income limit for their group size.
- . Incorrect, late reported or omitted information causing an OI can result in cash repayment or benefit reduction.
- . A timely hearing request can delete a proposed benefit reduction.

INTENTIONAL PROGRAM VIOLATION

DEFINITIONS

All Programs

Suspected IPV

Suspected IPV means an OI exists for which all three of the following conditions exist:

- . The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**

- . The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- . The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

Intentional Program Violation (IPV) is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. PAM, Item 720, p. 1. The federal Food Stamp regulations read in part:

- (c) Definition of Intentional Program Violation. Intentional Program Violation shall consist of having intentionally:
 - (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or
 - (2) committed any act that constitutes a violation of the Food Stamp Act, the Food Stamp Program Regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of coupons, authorization cards or reusable documents used as part of an automated benefit delivery system (access device). 7 CFR 273.16(c).

The federal Food Stamp regulations read in part:

- (6) Criteria for determining intentional program violation. The hearing authority shall base the determination of intentional program violation on clear and convincing evidence which demonstrates that the household member(s) committed, and intended to commit, intentional program violation as defined in paragraph (c) of this section. 7 CFR 273.16(c)(6).

IPV

FIP, SDA AND FAP

IPV exists when the client/AR is determined to have committed an Intentional Program Violation by:

- . A court decision.
- . An administrative hearing decision.

- . The client signing a DHS-826, Request for Waiver of Disqualification or DHS-83, Disqualification Consent Agreement, or other recoupment and disqualification agreement forms. PAM, Item 720, p. 1.

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. PAM 720, p. 2.

OVERISSUANCE AMOUNT

FIP, SDA, CDC and FAP Only

The amount of the OI is the amount of benefits the group or provider actually received minus the amount the group was eligible to receive. PAM 720, p. 6.

IPV Hearings

FIP, SDA, CDC, MA and FAP Only

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings for cases when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**

The total OI amount for the FIP, SDA, CDC, MA and FAP programs combined is \$1,000 or more, **or**

- . The total OI amount is less than \$1,000, **and**
 - .. The group has a previous IPV, **or**
 - .. The alleged IPV involves FAP trafficking, **or**
 - .. The alleged fraud involves concurrent receipt of assistance (see PEM 222), **or**

- .. The alleged fraud is committed by a state/government employee.

Excluding FAP, OIG will send the OI to the RS to process as a client error when the DHS-826 or DHS-830 is returned as undeliverable and no new address is obtained. PEM, Item 720, p. 10.

DISQUALIFICATION

FIP, SDA and FAP Only

Disqualify an active **or** inactive recipient who:

- . is found by a court or hearing decision to have committed IPV, **or**
- . has signed a DHS-826 or DHS-830, **or**
- . is convicted of concurrent receipt of assistance by a court, **or**
- . for FAP, is found by SOAHR or a court to have trafficked FAP benefits.

A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. PAM 720, pp. 12-13.

Standard Disqualification Periods

FIP, SDA and FAP Only

The standard disqualification period is used in all instances except when a **court** orders a different period (see **Non-Standard Disqualification Periods**, in this item).

Apply the following disqualification periods to recipients determined to have committed IPV:

- . One year for the first IPV
- . Two years for the second IPV
- . Lifetime for the third IPV

FIP and FAP Only

- . Ten years for concurrent receipt of benefits (see PEM 203). PAM 720, p. 13.

In this case, the department has established that respondent was aware of the responsibility to report all income and employment to the department. Department policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within ten days. PAM, item 105, p. 7. Respondent has no apparent physical or mental impairment that limits the understanding or ability to fulfill the reporting responsibilities. The respondent completed an application for assistance on January 16, 2003. On this application, the respondent indicated that she was not employed and had no income. The respondent had applied for FIP benefits and was referred to WF/JET for attendance. If the respondent had attended WF/JET, she would have been eligible for CDC services for her three children. However, the claimant never attended WF/JET. Therefore, there was no need for the respondent to receive CDC services.

The respondent reported her hours to the department for CDC payment, as evidenced by the code “53” on the CDC payment history (Department Exhibit 3, pages 17 – 18). Thus, she clearly reported hours that she wasn’t working or attending WF/JET to get payment for CDC services for her three children. The respondent would have known that she was not working or attending WF/JET and knew she was billing for hours that she was not eligible to bill for.

This Administrative Law Judge therefore concludes that the department has shown, by clear and convincing evidence, that respondent committed a first intentional violation of the CDC program, resulting in a \$5016.00 overissuance from January, 2003 through June, 2003. Consequently, the department’s request for full restitution must be granted.

DECISION AND ORDER

The Administrative Law Judge, based upon the clear and convincing evidence, decides respondent committed a first intentional CDC program violation.

Therefore it is ORDERED that:

(1) Respondent is responsible for full restitution of the \$5016 CDC overissuance caused by her Intentional Program Violation (IPV).
