ISSUE

Did the department properly determine claimant's disability status for Medicaid (MA) eligibility purposes?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On November 12, 2008, claimant applied for MA/retro-MA.
- (2) On February 10, 2009, the department sent claimant a denial notice.

(3) Claimant's authorized representative promptly requested a hearing, held on August 11, 2009.

(4) The record was extended at claimant's authorized representative's request for time to submit updated medical evidence (Client Exhibits A-F).

(5) When received, this medical evidence was forwarded to the department's State Hearing Review Team (SHRT) for a post-hearing review.

(6) On September 14, 2009, SHRT reversed its earlier denial of claimant's disputed application using Vocational Rule 201.00(H) as a guide.

(7) SHRT also approved MA retroactive to August 2008 and set a review of claimant's condition for September 2010.

#### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In the present case, SHRT reversed its earlier finding of lack of disability based on additional medical evidence reviewed for the first time after the hearing. This new medical evidence establishes claimant is currently disabled, and has been disabled, at all times relevant to her November 12, 2008 MA/retro-MA application.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the department, through SHRT, properly determined claimant's disability status upon consideration of additional medical evidence reviewed for the first time after the hearing.

Accordingly, the department's decision is AFFIRMED, and it is Ordered that claimant's disputed MA/retro-MA application shall be processed with benefits awarded if claimant meets all of the other financial and non-financial requirements necessary to receive them. Furthermore, the department shall conduct a review of claimant's condition in September 2010, as specified in SHRT's approval dated September 14, 2009.
