Issue No: 3002; 3003

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

July 28, 2009

Muskegon County DHS

ADMINISTRATIVE LAW JUDGE: Robert J. Chavez

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on July 28, 2009.

ISSUE

Was the claimant's FAP allotment computed and allocated correctly?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was receiving a Food Assistance Program (FAP) allotment budget of \$200.

(2) On 3-27-09, claimant moved into Muskegon County and a new shelter verification form was received on 4-17-09.

(3) This form showed that claimant did not pay rent per se, but received in-kind rent worth \$300 for performing repair and maintenance services around the house.

(4) Claimant's FAP budget was re-run and claimant's new budget reduced claimant's FAP allocation to \$115.

(5) Claimant filed for hearing on 4-27-09, alleging that DHS incorrectly computed his budget, and therefore, allocated the wrong amount of FAP benefits.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

When determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. BEM, Item 500. A standard deduction from income of \$135 is allowed for each household. Certain non-reimbursable medical expenses above \$35 a month may be deducted for senior/disabled/veteran group members. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up to a maximum of \$300 for non-senior/disabled/veteran households. BEM, Items 500 and 554; RFT 255; 7 CFR 273.2.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the department properly computed the claimant's gross income. The gross unearned income benefit amount must be counted as unearned income, which is \$417 in the current case, after counting the total member group's UCB benefits of \$194 bi-weekly. BEM 500. These amounts were verified by the claimant himself and by Department Exhibit 5. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The department in compliance with the federal regulations has prepared issuance tables which are set forth at Bridges Reference Manual, Table 260. The issuance table provides that a household with household size and net income of the claimant is eligible for an FAP allotment of \$115. The Administrative Law Judge has reviewed the budget and found no errors. Claimant himself was unable to point out specifically what parts of the budget he felt were in error. Therefore, the undersigned finds that the FAP allotment was computed correctly.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department's decision to keep reduce the claimant's FAP allotment to \$115 was correct.

Accordingly, the Department's decision is AFFIRMED.
