HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on August 18, 2009. Claimant personally appeared and testified. He was assisted by

ISSUE

Did the department properly determine claimant is not disabled by Medicaid (MA) eligibility standards?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) In 2008, claimant applied for Social Security disability benefits.

(2) The federal Social Security Administration (SSA) found claimant not disabled under their rules, and thus, claimant was notified that application was denied.

(3) Claimant alleged the same impairments as disabling when he filed his disputed MA/retro-MA application on September 23, 2008.

(4) This application was also denied.

(5) At claimant's MA/retro-MA hearing on August 18, 2009, he acknowledged on the record he did not appeal the Social Security Administration's (SSA's) 2008 denial.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Jurisdiction must be established for a contested case review of departmental action before a decision on the merits of the case can be made. The applicable departmental policy states:

Final SSI Disability Determination

SSA's determination that disability or blindness does **not** exist for SSI purposes is **final** for MA if:

- . The determination was made after 1/1/90, **and**
- . No further appeals may be made at SSA, **or**

- . The client failed to file an appeal at any step within SSA's 60-day limit, **and**
- . The client is **not** claiming:
 - .. A totally different disabling condition than the condition SSA based its determination on, **or**
 - .. An additional impairment(s) or change or deterioration in his condition that SSA has **not** made a determination on.

Eligibility for MA based on disability or blindness does **not** exist once SSA's determination is **final**. PEM, Item 260, pp. 2-3.

The relevant federal regulations are found at 42 CFR Part 435. These regulations provide: "An SSA determination is binding on an agency until that determination is changed by the SSA." 42 CFR 435.541(a)(2)(b)(i). This regulation also provides: "If the SSA determination is changed, the new determination is also binding on the department." 42 CFR 435.541(a)(2)(b)(ii). These federal mandates have been incorporated in the department's policy at PEM Item 260.

The evidence of record in this case verifies claimant received a final SSA determination in 2008. Claimant did not appeal the denial of that application. Claimant is now alleging identical impairments to the ones the SSA has already reviewed. Consequently, under the above-cited federal regulations and state policy, no jurisdiction exists for this Administrative Law Judge to proceed on the merits of this case. The status quo must remain intact. The department's action must remain upheld.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the department's denial action was correct.

Accordingly, the department's action is AFFIRMED.
