### **CONCLUSIONS OF LAW**

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10,

et seq., and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Medicaid program provides medical insurance for low income persons. The asset policy is found in BEM 400 and 401. To determine MA eligibility, the caseworker must calculate the total value of claimant's countable assets, including the value of checking accounts, saving accounts, CDs, annuities, trust accounts, etc. Claimant's total countable assets cannot exceed the applicable MA-N asset limit of \$3,000.

The preponderance of the evidence in the record shows that on the date of application, claimant had countable MA-N assets of \$9,581.59.

as claimant's representative has an affirmative duty to establish that the ownership of the Bank of America CD was not held by claimant or her husband.

The credible evidence in the record establishes that the was simply titled . There are no supporting legal documents to establish the circumstances surrounding the statement.

In short, the evidence of record shows an ambiguous situation where

alleged to be the trustee of the

CD Savings, but the circumstances and

ownership are not clearly spelled out in the record. Due to the ambiguity of the ownership of the

CD, the department correctly decided that claimant had not established the ownership of the

CD. Claimant did not meet her burden of proof to show that the CD was

unavailable to claimant and her husband.

Based on this analysis, claimant was not eligible for MA-N and benefits for January and February 2008 due to excess assets.

#### DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department correctly calculated claimant's MA-N eligibility for January and February 2008 and correctly denied claimant's application based on excess assets.

Therefore, the department's denial is, hereby, AFFIRMED.

SO ORDERED.
