HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from ██████████ on August 11, 2009.

ISSUE

Whether the Department properly computed the Claimant's Food Assistance Program (FAP) allotment?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant is a FAP recipient.

(2) On October 21, 2008, the Department completed a FAP budget for Claimant based on no income and no expenses which resulted in a monthly FAP allotment of [REDACTED]. (Exhibit 4)

(3) Claimant's monthly FAP allotment increased to [REDACTED] on January 1, 2009.

(4) On July 13, 2009, the Department completed a new FAP budget to include [REDACTED] in monthly [REDACTED] income which resulted in a reduction in Claimant's monthly FAP allotment to [REDACTED]. (Exhibit 1)

(5) On July 13, 2009, the Department mailed Claimant an Eligibility Notice which explained the reduction in her monthly FAP allotment. (Exhibit 2)

(6) On July 6, 2009, the Department received the Claimant's hearing request protesting the reduction in her FAP allotment.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM), and the Program Reference Manual (PRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit.

Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and

UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. PEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. PEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

PEM 505

In the instant case, Claimant agreed that the Department used the correct income and expense figures in completing the October 21, 2008 and July 13, 2009 FAP Budgets. Claimant also testified that she does have shelter expenses and that she pays her son, but she had not previously informed and/or provided verification to the Department in this regard.

With the above said, based on the testimony and documentation offered at hearing, I find that the Department established that it acted in accordance with policy in computing Claimant's FAP allotment. Claimant should, if she has not already, report any change in circumstances to the Department.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in computing Claimant's FAP allotment.

Accordingly, the Department's FAP eligibility determination is AFFIRMED, it is
SO ORDERED.
