ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Claimant,

Reg No: 2009-30425

Issue No: 1038

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

August 19, 2009

Shiawassee County DHS

ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from [REDACTED] on August 19, 2009.

ISSUE

Whether the Department properly terminated Claimant's Family Independence Program (FIP) and reduced her Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was a recipient of FIP and FAP benefits and a mandatory Work First/Jobs, Employment and Training (WF/JET) participant.

(2) On May 27, 2009, the Department was informed by WF/JET that Claimant and her husband did not meet the required amount of job search hours and were, therefore, in noncompliance with WF/JET requirements. (Exhibits 2, 3)

(3) On June 18, 2009, the Department sent Claimant and her husband a Notice of Noncompliance which stated in pertinent part - "Records show that you have refused or failed to participate as required in employment and/or self sufficiency related activities for FIP, FAP and FAP as noted below:.....A meeting has been scheduled to give you an opportunity to report and verify your reasons for non-compliance." (Exhibit 4)

(4) On July 17, 2009, a triage meeting was held. Claimant and her husband were responsible for a combined 35 hours/wk of employment and/or job search hours. Claimant had 25 hours and successfully turned those hours in for the week in question. Claimant's husband had 4 work hours and 6 job search hours. Claimant attempted to turn in those hours for her husband because he had to leave town unexpectedly, but was not allowed to do so. As a result, Claimant and her husband's hours were short and the Department found no good cause at the triage. (Exhibit 6)

(5) The Department testified that local policy requires WF/JET participants to sign in and turn in their own hours. The Department offered documentation after hearing in this regard, but it does not specifically support the Department's testimony. (Exhibit 7)

(6) On July 14, 2009, the Department received Claimant's hearing request protesting the termination of her FIP benefits and the reduction in her FAP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training

opportunities, and assessments will be covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229, p. 1.

Federal and State laws require each work eligible individual (WEI) in the FIP and FAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A, p. 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).

- .. Provide legitimate documentation of work participation.
- .. Appear for a scheduled appointment or meeting related to assigned activities.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

The Department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A, p. 7-8

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause,

and good cause issues have been resolved, the client should be sent back to JET.

BEM 233A, p. 3-4

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A, p. 7

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM, p.6

Noncompliance, without good cause, with employment requirements for FIP/FAP(SEE BEM 233A) may affect FAP if both programs were active on the date of the FIP noncompliance. BEM 233b, p. 1 The FAP group member should be disqualified for noncompliance when all the following exist:

- The client was active both FIP and FAP on the date of the FIP noncompliance, and
- The client did not comply with FIP/RAP employment requirements, and
- The client is subject to a penalty on the FIP/RAP program, and
- The client is not deferred from FAP work requirements (see DEFERRALS in PEM 230B), and
- The client did not have good cause for the noncompliance. PEM 233B, p. 2

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corresponds with the FIP penalty (either three months for the first two noncompliances or 12 months for the third and subsequent noncompliances) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last FIP grant amount is the grant amount the client received immediately before the FIP case closed. BEM 233B, p. 2

The Department should budget the Last FIP for three or 12 months whether or not the noncompliant person is disqualified from FAP. If a FIP penalty is imposed; the Last FIP grant amount must be budgeted. The Department should budget the Last FIP amount only when the client was receiving FAP on the date of the FIP noncompliance. If the client was only applying for FIP and violated a FIP employment and/or self-sufficiency-related requirement, the FAP grant would not be affected. BEM 233B, p. 2

In the instant case, I don't think the Department followed policy in terminating Claimant's FIP benefits and reducing her FAP benefits. I understand the need for promoting and requiring personal responsibility, but Claimant and her husband met the

35 hour requirement for the week in question. The only alleged noncompliance was Claimant's husband not turning his own hours. However, he only had his wife turn in his hours because he had to leave town and thought his wife could turn in his hours for him. More importantly, there is nothing in the documentation supplied by the Department that specifically requires an individual to sign in and turn in his or her own hours.

With the above said, I do not find that the Department acted in accordance with policy in terminating Claimant's FIP benefits and reducing her FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, does not find that the Department acted in accordance with policy in terminating Claimant's FIP benefits and reducing her FAP benefits.

Accordingly, the Department's FIP and FAP eligibility determination is REVERSED, it is SO ORDERED. The Department shall:

- (1) Reinstatement Claimant's FIP benefits retroactive to the closure date.
- (2) Reinstatement Claimant's monthly FAP benefits in effect prior to the reduction.
- (3) Issue Claimant supplemental benefits she is entitled to, if any.
