ADMINISTRATIVE LAW JUDGE: Jonathan W. Owens

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was held on November 23, 2009. Claimant appeared and testified.

ISSUE

Did the Department of Human Services (Department) properly determine the Claimant's MA patient pay amount?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as a material fact:

- On March 19, 2009, the Department completed a new MA budget. The
 Department determined, based on the RSDI amount, the Claimant had excess
 income for MA and thus required a patient pay amount.
- 2. The Claimant filed a request for hearing.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In the present case, the Department determined the Claimant had \$1795 in countable income and his spouse wall allotted \$821.36 in spousal allowance. However, after testimony from the Claimant's spouse and son, it was discovered these amounts were inaccurate. The Claimant's witness indicated he was receiving income from 3 other countries such as Germany, France and Canada. The Department had budgeted, both, the SSA amount from the United States and Germany. However, the budget failed to list any amounts from Canada or France. In addition, the Department had incorrectly determined the Claimant's spouse earned income. The Department had used \$1210.81 for earned income when the Claimant's employer stated she grossed \$1050.

The Department incorrectly determined the amount of the patient pay obligation for the Claimant's case. The Department, as stated above, clearly had the wrong amounts in the budget in different areas.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department's budget is not accurate and needs to be re-determined using the correct amounts.

Accordingly, the Department's decision is hereby REVERSED. The Department shall complete a new budget and advise the Claimant of the result.
