HEARING DECISION

This matter is before the undersigned Administrative Law Judge upon pursuant to MCL 400. 9; MCL 400.37 upon claimant's request for a hearing. After due notice a telephone hearing was held on September 30, 2009 claimant was present and testified, [REDACTED] FIM appeared for the department and testified.

ISSUE

Whether the Department properly closed claimant's Family Independence Program ("FIP") benefits case for non-compliance with the Work First/Jobs Education and Training ("JET") program?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant was an ongoing recipient of FIP benefits.
2. Claimant failed to attend work first orientation on June 15, 2009 or June 22, 2009.

3. On July 23, 2009 notice of Noncompliance was sent to claimant with a notice of a July 30, 2009 triage meeting.
4. The triage meeting was rescheduled for August 3, 2009. At the triage meeting on August 3, 2009 the Department determined that good cause did not exist for claimant missing her appointments.
5. On August 3, 2009 a benefit notice was sent to claimant informing her that FIP benefits were closing.
6. Claimant requested a hearing contesting the proposed closure on August 10, 2009.

#### CONCLUSIONS OF LAW

The Family Independence program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human services (DHS or Department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependant Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference manual (PRM).

The Family Independence Program (FIP) provides temporary cash assistance to support a family's movement to self-sufficiency. The recipients of FIP engage in employment and self-sufficiency-related activities so they can become self-supporting. Federal and State laws require each work eligible individual (WEI) in the FIP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain stable employment. PEM 230A.

JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PEM 230 A. A mandatory participant in the JET program who fails without good cause to participate in employment activity must be penalized. PEM 233(a). The penalty for the first occurrence of noncompliance in the JET program is a closure for a minimum of three calendar months under the FIP program. PEM 233(a). Good cause is a valid reason for noncompliance with employment related activities. A claim of good cause must be verified and documented for applicants, members, and recipients. PEM Manual Item 230(a), PEM Manual Item 230(b); 7 CFR Parts 272 and 273.

In the present case, claimant was an ongoing recipient of FIP benefits and was referred to Work First/JET. Claimant was sent a notice of noncompliance on July 23, 2009 for failing to participate and being in non-compliance with work first. A triage meeting was scheduled for July 30, 2009. At the triage meeting on August 3, 2009 the department determined that good cause did not exist for being in non-compliance with work first.

At hearing, Claimant testified that she did not receive the notice for the June 15, 2009 appointment and that she received the notice of the June 22, 2009 on June 22, 2009 late in the afternoon. Claimant testified that her son had an injury that required an emergency room visit and some follow up care. Claimant testified that her son had an appointment on June 22, 2009 at that explains why she missed the appointment. However, the Michigan HealthCare Referral Form that she submitted is dated June 30, 2009 and the Emergency Trauma Center Discharge Instructions she submitted is dated June 16, 2009. These documents do not support claimant's testimony and bring into question her credibility. The Department had submitted sufficient documentation that appointment notices were sent to claimant at her address of record.

Claimant has not provided sufficient proof of good cause for failing to participate in Work First/JET. Accordingly, the Department's closure of FIP benefits was proper.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law decides that the department was correct in the determination of FAP benefits, and it is ORDERED that the department's decision in this regard be and is hereby AFFIRMED.
