ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on October 1, 2009. Claimant appeared and testified.

ISSUE

Did the Department of Human Services determine the proper amount of Claimant's Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was an ongoing recipient of Food Assistance Program (FAP) benefits. His case was due for re-determination in May, 2009.
- (2) On May 14, 2009, Claimant attended an interview and brought in necessary information. Claimant submitted his bi-weekly pay check stubs of April 17 and May 1, 2009. At the interview Claimant stated he was going to get reduced hours of

work during the summer. No verification of reduced hours was provided to the Department.

(3) On June 9, 2009, a financial eligibility budget was run using Claimant's actual income information. That budget showed that Claimant was eligible for a monthly Food Assistance Program (FAP) allotment of \$37. The Department indicates that Claimant has a \$10 recoupment being held out the allotment. The validity of that recoupment is not a question in this hearing.

(4) On June 18, 2009, Claimant submitted a request for hearing. Claimant also sent in an unsigned letter from his work manager. The letter reported weekly hours but did not give dates for weeks. The Department did not change Claimant's financial eligibility budget because the information was not sufficient to meet verification requirements in Department policy.

#### CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

At this hearing, Claimant did not dispute the fact that the Department had not received acceptable verification of his reduced hours. Claimant stated he should not have trusted that his boss would take care of things.

When determining eligibility for Food Assistance Program (FAP) benefits in accordance with Department policy, the total income of the household must be evaluated. All earned and unearned income of each household member must be included, unless specifically excluded. Bridges Eligibility Manual, Item 500. The Food Assistance Program (FAP) program provides a deduction from earned income and a deduction for the cost of child care when necessary to enable a Food Assistance Program (FAP) household member to work. A standard deduction from income is allowed for each household. The amount of the standard deduction depends on the number of members in the household. Certain non-reimbursable medical expenses may be deducted for senior/disabled/veteran group members.

Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income, after all of the other deductions have been allowed. There is a maximum deduction for households that do not contain a member classified as a senior, disabled, or veteran. Bridges Eligibility Manual, Items 500 and 554; Program Reference Manual, Table 255; 7 CFR 273.2.

In this case, the Administrative Law Judge has reviewed the Food Assistance Program (FAP) budget and finds that the department properly computed the claimant's net income and expenses. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The department in compliance with the federal regulations has prepared issuance tables which are set forth at Program Reference Manual, Table 260. The issuance table provides that a household with household size and net income of the claimant's is eligible for a Food Assistance Program (FAP) allotment of \$37.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services determined the proper amount of Claimant's Food Assistance Program (FAP) benefits.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHELD.
