Issue No: 2006
Case No: [REDACTED]
Load No: [REDACTED]

ADMINISTRATIVE LAW JUDGE: William A. Sundquist

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on April 28, 2010.

ISSUE

Was timely verification compliance established?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Negative case action: Medicaid application on March 9, 2009 was denied on May 20, 2009 based on issue above per BAM 130.
- (2) On April 28, 2009, a verification check-list was mailed to the claimant with a return due-date of May 8, 2009.
- (3) On May 8, 2009, the claimant submitted part of the requested verifications which were incoming date stamped by the DHS receptionist and transferred to the caseworker.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Facts above are undisputed except # 3

The client might be unable to answer a question about himself or another person whose circumstances must be known. Allow the client at least 10 days (or other timeframe specified in policy) to obtain the needed information. PAM, Item 105, p. 5.

The claimant testified that he submitted all the requested verifications to the local DHS on May 8, 2009; and that the DHS receptionist date stamped them.

The DHS representative testified that parts of the requested verifications were received with a date-stamp by the receptionist. But, that missing was a bank statement and medical record verifications.

This ALJ is not persuaded by the preponderance of the evidence that the claimant timely complied with all requested verifications.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that compliance with timely verification requirements was not established.

Accordingly, Medicaid denial is UPHOLD.
