ORDER OF DISMISSAL

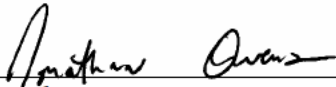

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a hearing was held on November 16, 2009. Claimant appeared and testified.

Under Program Administrative Manual Item 600, clients have the right to contest any agency decision affecting eligibility or benefit levels whenever they believe the decision is illegal. The agency provides an Administrative Hearing to review the decision and determine if it is appropriate. Agency policy includes procedures to meet the minimal requirements for a fair hearing. Efforts to clarify and resolve the client's concerns start when the agency receives a hearing request and continues through the day of the hearing.

In the present case, on July 8, 2009, Claimant requested a hearing, protesting the amount the decrease in FAP benefits occurring in January 2009. The Claimant was sent an automated notice of benefit reduction to the address on file. The Department fulfilled its obligation by sending a proper written notice of case action.

The Claimant's hearing request, protesting her FAP benefit reduction from January 2009 is untimely. Clients have 90 days from the date of the Department's negative action to request an administrative hearing. According to MAC R 400.904(4), a client is given 90 days from the mailing of the proper notice of case action to request a hearing. Claimant failed to request a hearing within 90 days.

Therefore, Claimant's hearing request must be dismissed. According to the provisions of PAM, Item 600, p.4, the Claimant's request for a hearing is hereby DISMISSED.
