Issue No: 2006

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

Oakland County DHS

ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on August 4, 2009. Claimant did not appear and testify. Claimant's representative appeared and testified on her behalf.

ISSUE

Did the Department of Human Services (the department) properly deny claimant's application for Medical Assistance (MA-P) benefits based upon its determination that claimant did not provide verification information?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On June 26, 2008, [REDACTED] filed an application for Medical Assistance and retroactive Medical Assistance with the department.

(2) On July 1, 2008, a checklist was sent to claimant and to [REDACTED] with a due date of July 11, 2008.

(3) On July 11, 2008, an extension was requested from [REDACTED] and an extension was granted until July 21, 2008.

(4) On July 21, 2008, another extension was requested by [REDACTED] and a second extension was granted until July 31, 2008.

(5) On July 31, 2008, [REDACTED] left a message with the department asking if they would send the medical information to the Medical Review Team and that they were not requesting another extension.

(6) On August 4, 2008, the worker called [REDACTED] back and told them that the case would be denied if they were not requesting another extension since the worker did not have all the verifications for Medicaid eligibility.

(7) The worker explained that a denial letter would be sent to [REDACTED] and the claimant.

(8) On August 4, 2008, a DHS-1150 notice was sent and a MSA-2565 was sent to [REDACTED] and the claimant stating that claimant's application was denied for failure to provide verification information.

(9) On October 30, 2008, [REDACTED] filed a request for a hearing to contest the department's negative action.

#### CONCLUSIONS OF LAW

*et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

### **VERIFICATION AND COLLATERAL CONTACTS**

#### **DEPARTMENT POLICY**

#### **All Programs**

**Verification** means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- . required by policy. PEM items specify which factors and under what circumstances verification is required.
- . required as a local office option. The requirement **must** be applied the same for every client. Local requirements may **not** be imposed for MA, TMA-Plus or AMP without prior approval from central office.
- . information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party. PAM, Item 130, p. 1.

Verification is usually required at application/redetermination **and** for a reported change affecting eligibility or benefit level. PAM, Item 130, p. 1.

Verification is **not** required:

- . when the client is clearly ineligible, or
- . for excluded income and assets **unless** needed to establish the exclusion. PAM, Item 130, p. 1.

## **Obtaining Verification**

### **All Programs**

Tell the client what verification is required, how to obtain it, and the due date (see “**Timeliness Standards**” in this item). Use the DHS-3503, Verification Checklist, or for MA redeterminations, the DHS-1175, MA Determination Notice, to request verification. PAM, Item 130, p. 2.

The client must obtain required verification, but you must assist if they need and request help. PAM, Item 130, p. 2.

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If **no** evidence is available, use your best judgment.

**Exception:** Alien information, blindness, disability, incapacity, incapability to declare one's residence and, for FIP only, pregnancy must be verified. Citizenship and identity must be verified for clients claiming U.S. citizenship for applicants and recipients of FIP, SDA and MA. PAM, Item 130, p. 3.

### **Timeliness Standards**

#### **All Programs (except TMAP)**

Allow the client 10 calendar days (**or** other time limit specified in policy) to provide the verification you request. If the client cannot provide the verification despite a reasonable effort, extend the time limit at least once. PAM, Item 130, p. 4.

Send a negative action notice when:

- . the client indicates refusal to provide a verification, **or**
- . the time period given has elapsed and the client has not made a reasonable effort to provide it. PAM, Item 130, p. 4.

#### **MA Only**

Send a negative action notice when:

- . the client indicates refusal to provide a verification, **or**
- . the time period given has elapsed. PAM, Item 130, p. 4.

In the instant case, claimant did not provide verification of her birth certificate and did not provide verification of her or her husband's income. The department did offer an extension of time as was appropriate and the verification information was not provided. Therefore, this Administrative Law Judge finds that the department has established by the necessary, competent, material and substantial evidence on the record that it was acting in compliance with department policy when it denied claimant's application for Medical Assistance benefits based upon its determination that claimant did not provide verification information.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department has appropriately established on the record that it was acting in compliance with department policy when it denied claimant's application for Medical Assistance and retroactive Medical Assistance benefits based upon its determination that

claimant did not provide verification information in a timely manner. The department has established its case by a preponderance of the evidence.

Accordingly, the department's decision is AFFIRMED.
