Claimant

Reg. No: 2009-6164

Issue No: 2015

Case No:

Load No: Hearing Date:

February 9, 2010 Kent County DHS

ADMINISTRATIVE LAW JUDGE: Carmen G. Fahie

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on Tuesday, February 9, 2010. The claimant personally appeared and testified on his own behalf.

ISSUE

Did the department properly close the claimant's Medical Assistance (MA) case because the claimant was no longer eligible to receive benefits?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On September 23, 2008, the claimant in an in-person interview he told the department caseworker that his family was no longer in the home. (Department Exhibit 2-3)

- (2) On October 28, 2008, the department caseworker removed the claimant's wife and child that were no longer in the home, which made the claimant the only one left in the home and ineligible for Group II Family Medicaid which was effective November 11, 2008.

 (Department Exhibit 4)
- (3) On November 7, 2008, the department received a hearing request from the claimant, contesting the department's negative action.
- (4) On November 14, 2008, the department reinstated the claimant's LIF Medicaid pending the hearing decision.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM). i13005

DETERMINING PRIMARY CARETAKER

When a child spends time with multiple caretakers who do not live together (e.g., joint physical custody or parent/grandparent), determine a Primary Caretaker. Only one person can be the Primary Caretaker and the other caretaker(s) is considered the Absent Caretaker(s). The child is **always** in the FAP group of the Primary Caretaker. If the child's parent(s) is living in the home, he/she must be included in the FAP group.

Exception: If otherwise eligible, the Absent Caretaker may receive FAP benefits for the child, when the child is visiting the Absent Caretaker for more than 30 days (i.e., not temporarily absent from the Primary Caretaker's home).

Determine a Primary Caretaker by using a twelve-month period. The twelve-month period begins when a Primary Caretaker determination is made. To determine the Primary Caretaker:

- . Ask the client how many days the child sleeps at his/her home in a calendar month.
- Accept the client's statement unless questionable or disputed by another caretaker.

Note: When a caretaker works during a child's normal sleep hours, include the nights the child sleeps away from home when due solely to the caretaker's employment as nights slept in the home of the caretaker. See Example 3.

- . If Primary Caretaker status is questionable or disputed, verification is needed.
- . Allow both caretakers to provide evidence supporting his/her claim.
- Base your determination on the evidence provided by the caretakers. See "Verification Sources."
- . Document who the Primary Caretaker is, in the case record.

If the child spends virtually half of the days in each month, averaged over a twelve-month period with each caretaker, the caretaker who applies and is found eligible first, is the Primary Caretaker. The other caretaker(s) is considered the Absent Caretaker(s). PEM, Item 212, p. 3.

MA GROUP COMPOSITION

DEPARTMENT POLICY

LIF

Group composition policy for Low-Income Families (LIF) is in PEM 110. Do not use the policy in this item to determine group composition for LIF. PEM, Item 211, p. 1.

Group 2 FIP-Related MA, Healthy Kids and SSI-Related MA

Use fiscal groups and, for SSI-related MA, Group 2 Persons Under Age 21 and Group 2 Caretaker Relative, asset groups to determine

the financial eligibility of a person who requests MA and meets all the nonfinancial eligibility factors for an MA category.

Individual family members may be eligible under different MA categories. You must explore all categories for each person who requests MA. See "<u>CHOICE OF CATEGORY</u>" in PEM 105. PEM 211, p. 1.

DEFINITIONS

Group 2 FIP-Related MA, Healthy Kids and SSI-Related MA

"Child" means an unmarried person under age 18.

"Adult" means a person who is married or age 18 or older. PEM, Item 211, p. 1.

RULES FOR GROUPS

Group 2 FIP-Related MA, Healthy Kids and SSI-Related MA

Determine the fiscal and asset groups separately for each person requesting MA. When referring to the group listings, remember:

- Only persons living with one another can be in the same group. See "LIVING WITH."
- Certain persons cannot be fiscal or asset group members in SSI-related MA. See "EXCLUDED PERSONS".
- There is NO asset test for Group 2 FIP-related MA and the Healthy Kids categories.
- categories, when a child lives with both parents who do not live with each other (e.g., child lives with his mother two weeks each month and his father the other two weeks), only one parent, the primary caretaker, is in the fiscal group. You must determine a primary caretaker. The primary caretaker is the parent who is primarily responsible for the child's day-to-day care and supervision in the home where the child sleeps more than half the days in a month, when averaged over a twelve-month period. The twelve-month period begins at the time the determination is being made. Vacations and visitations with the absent parent do not interrupt primary caretaker status. See rules in PEM 255

concerning support from the other parent. See "Verification Sources" in this item:

- .. Joint physical custody occurs when parents alternate taking responsibility for the child's day-to-day care and supervision. It may be included in a court order or may be an informal arrangement between parents. A child is considered to be living with only one parent in a joint custody arrangement. This **parent is the primary caretaker**.
- . For all Group 2 FIP-related MA and Healthy Kids categories, count a pregnant woman as at least two members. If twins are verified, count the woman as three, etc.
- **For PEM, Item 125 and 126 categories only**, continue to count the woman as two (or three, etc.) for two calendar months following her pregnancy termination for each unborn not resulting in a live birth. PEM, Item 211, pp. 1-2.

LIVING WITH

Group 2 FIP-Related MA, Healthy Kids and SSI-Related MA

Living with others means sharing a home where family members usually sleep, **except** for temporary absences. A temporarily absent person is considered in the home. PEM, Item 211, p. 2.

In the instant case, the claimant's household composition was comprised of him, his wife, and his child. Subsequently, the claimant's wife and child were no longer in the home. During an in-person hearing on September 23, 2008, the claimant told the caseworker that his wife and child were no longer in the home.

On October 28, 2008, the department caseworker sent the claimant a notice and removed the claimant's wife and child from his household composition, which resulted in the claimant not being eligible for Medical Assistance, which was effective November 11, 2008. The claimant was eligible for Group II MA category because he was a caretaker relative and he was the parent

2009-6164/CGF

of a dependent child that was under 18 years of age. When the claimant's child was no longer in

the home, the claimant was no longer eligible for Group II Caretaker Relative MA. Therefore,

the department has established that it was acting in compliance with department policy by

determining that the claimant was no longer eligible for Group II Caretaker Relative MA because

he no longer had any eligible children in the home.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions

of law, decides that the department appropriately closed the claimant's Group II MA case

because the claimant no longer had any eligible children in the home.

Accordingly, the department's decision is **AFFIRMED**.
