Load No: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from Kalamazoo, Michigan on January 12, 2009.

ISSUE

Whether the Department properly computed the Claimant's Food Assistance benefits (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant is a FAP recipient.
2. On June 19, 2008, the Department completed a FAP budget based unearned income of [REDACTED] (FIP), [REDACTED] (RSDI) for Claimant and [REDACTED] (RSDI) for Claimant's spouse which resulted in a monthly benefit of [REDACTED] due to excess income. (Exhibit 1)

3. Claimant previously received [REDACTED] in FAP benefits based on unearned income of [REDACTED] (FIP) and [REDACTED] (RSDI) for Claimant's spouse. (Exhibit 2)

4. Claimant filed a hearing request protesting the termination of his FAP benefits.

#### CONCLUSIONS OF LAW

The Food Assistance Program, formerly known as the Food Stamp ("FS") program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations ("CFR"). The Department of Human Services ("DHS"), formally known as the Family Independence Agency, administers the FAP program pursuant to MCL 400.10, *et seq* and MAC R 400.3001-3015. Departmental policies are found in the Program Administrative Manual ("PAM"), the Program Eligibility Manual ("PEM"), and the Program Reference Manual ("PRM").

For FAP purposes, all earned and unearned income available to the Claimant is countable. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Unearned income means ALL income that is not earned and includes RSDI and SSI. PEM 500 For income increases that result in a benefit decrease, action must be taken and notice issued to the client within the Standard of Promptness (FAP – 10 calendar days). PEM 505

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Prospective income is income not yet received but expected. Prospective budgeting is the best estimate of the client's future income for future benefits. In some cases, the department's estimate of the client's future monthly income will not equal the actual income received however, as long as the Department uses the best available information to determine future income, and there is no concealed information or mathematical

error, the Department's estimate will not be determined inaccurate. All income is converted to a monthly amount. PEM 505

All countable earned and unearned income available to the client must be considered in determining the Claimant's eligibility for program benefits. The Department must consider the gross benefit amount before any deduction, unless Department policy states otherwise. PEM 500

In the instant case, the Department followed policy in completing a new FAP budget based on the discovery of RDSI income for Claimant.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy when it completed a new FAP budget which resulted in termination of Claimant's FAP benefits.

Accordingly, the Department's FAP eligibility determination is AFFIRMED.
