ADMINISTRATIVE LAW JUDGE: Ivona Rairigh

ORDER OF DISMISSAL

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9; and MCL 400.37; upon claimant's request for a hearing filed on December 3, 2008. After due notice, a hearing was held on February 18, 2009.

Claimant requested this hearing to protest department's denial of his Medicaid (MA), State Disability Assistance (SDA), Food Assistance Program (FAP), and State Emergency Relief (SER) application of October 30, 2008. Department denied claimant's application due to his failure to return requested documentation.

Department's representatives state they are willing to offer claimant the opportunity to provide additional information including current medical records. Upon receipt of this information, department will process MA and SDA application to determine if the claimant meets disability criteria required for these programs. Department will consider October 30, 2008, as the application date for MA and SDA programs. Department is not willing to re-process claimant's FAP application back to October 30, 2008 application date, as the claimant was given the period of time specified in

departmental policy to return information requested for FAP processing and failed to do so. Claimant indicates he will re-apply for FAP at this time.

Claimant also stated that he applied for SER for home repairs, namely a door and insulation. Claimant's SER request was previously denied due to his failure to provide requested information. Claimant was advised that he may re-apply for SER at this time for these items, and he indicates he will do so.

Claimant is in agreement that all of his hearing issues have now been resolved. Therefore, it is not necessary for the Administrative Law Judge to decide the matter that was in dispute. Pursuant to MAC R 400.906 and 400.903, claimant's hearing request is **HEREBY DISMISSED**, because claimant is no longer aggrieved by a department action.
