ADMINISTRATIVE LAW JUDGE: Robert J. Chavez

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on March 10, 2011.

ISSUE

Was the denial of claimant's application for MA-P and SDA for lack of disability correct?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant applied for MA-P and SDA on May 13, 2008, with retroactive coverage to February 2008.
- (2) On October 18, 2008, the Medical Review Team denied MA-P and SDA.
- (3) On October 23, 2008, claimant filed for hearing.

- (4) On January 14, 2011, the State Hearing Review Team denied MA-P and SDA.
- (5) On March 10, 2011, a hearing was held before the Administrative Law Judge.
- (6) The Social Security Administration issued a decision in claimant's case, finding disability for the purpose of securing SSI and RSDI income.
- (7) The Social Security Administration gave claimant a disability onset date of June, 2008.

CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or Department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Department policy at BEM 260 states that if a claimant has been found eligible for either SSI or RSDI based upon a finding of disability, the person meets the

Department's MA disability criteria. No other evidence is required to establish disability. In the present case, the claimant was found by the Social Security Administration to be eligible for RSDI and SSI benefits based upon disability, and have presented prima facie evidence of the same. This disability was found by the Social Security Administration to have an onset date of June, 2008. While this onset date is not prior to the claimant's hearing request, the undersigned, having reviewed the medical record, believes that the claimant equals the disability listings found in section 9.08B of the medical listings. Per the medical records, claimant had 22 hospitalizations in the year 2008, starting in [REDACTED]. Claimant's admissions were for incidents of diabetic acidosis, or other complications with regards to her diabetes. Claimant has submitted ample proof that her diabetic condition is uncontrolled, and was uncontrolled during the time period in question.

Thus, claimant's condition equaled the intent of the listings in 9.08B in February 2008, and MA benefits may be awarded retroactive to that date. Therefore, the Administrative Law Judge finds that the claimant met the Department's definition of disabled for the purposes of MA-P and SDA.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the claimant is medically disabled for the purposes of the MA and SDA program, pending a review of all non-medical eligibility factors.

Accordingly, the Department's decision in the above stated matter is, hereby, REVERSED.

The Department is ORDERED to process claimant's Medicaid application of May 13, 2008, and initiate a review of all non-medical eligibility factors, if it has not already done so.

The Department is further ORDERED to initiate a full review of this case in May, 2012.
