

STATE OF MICHIGAN  
STATE OFFICE OF ADMINISTRATIVE HEARINGS AND RULES  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 200916377

Issue No: 2009/4031

[REDACTED] [REDACTED]  
Hearing Date:

June 2, 2009

Genesee County DHS

**ADMINISTRATIVE LAW JUDGE:** Marlene B. Magyar

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on June 2, 2009. Claimant and various members of her family personally appeared and testified.

**ISSUE**

Did the department properly determine claimant is not disabled by Medicaid (MA) and State Disability Assistance (SDA) eligibility standards?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant is a 51-year-old female who applied for a disability-based monthly cash grant (SDA) on September 22, 2008.
2. When the department denied that application claimant requested a hearing, held June 2, 2009.
3. At that time, claimant also had a Social Security Administration (SSA) disability application denial pending on appeal.
4. Claimant alleged impairments on her disputed SDA application identical to those the SSA was reviewing.

5. While claimant's SDA hearing was pending, the SSA issued a partially favorable disability allowance to claimant, with her disability onset established as of December 14, 2008 but not earlier, per a computerized cross-check (SOLQ) received by this presiding Administrative Law Judge on September 8, 2010.

### **CONCLUSIONS OF LAW**

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, et seq., and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In Michigan, the SSA's determination of disability onset is binding for MA eligibility purposes. The same standard is applied in SDA cases. In the present case, evidence of the partially favorable SSA decision conclusively establishes claimant meets the federal disability standard necessary to qualify for MA/SDA, pursuant to BEM Items 150 and 260.

Claimant's SSA disability allowance establishes she was determined disabled as of December 2008, but not earlier; specifically, not in September 2008, when she filed her disputed application (filing date: 9/22/08). Nevertheless, the department must reverse its erroneous disability determination as of September 2008.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the department erred in determining claimant is not disabled.

Accordingly, the department's action is REVERSED, and it is Ordered that:

1. The department shall determine whether claimant met all the other financial and non-financial criteria necessary to qualify for a disability-based monthly cash grant (SDA) during the disputed application period.

2. The department also shall effectuate medical coverage (MA) for claimant consistent with the SSA's September 2008 disability allowance, as long as she is otherwise eligible to receive it.
3. Departmental review of claimant's condition is not necessary as long as SSA disability status continues.
