The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the FAP program pursuant to MCL 400.10, et seq., and MAC R 400.3001-3015. DEPARTMENT POLICY

You must determine who is included in the Food Assistance Program (FAP) group prior to evaluating the nonfinancial and financial eligibility of everyone in the group.

To establish FAP group composition determine:

RELATIONSHIPS The relationship(s) of the people who live together affects whether they must be included or excluded from the group. First determine if they **must** be included in the group. If they are **not** mandatory group members, then determine if they purchase and prepare food together or separately.
