ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from [REDACTED] on April 30, 2009.

ISSUE

Whether the Department properly computed the Claimant's Food Assistance benefits ("FAP")?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant is a FAP recipient.
- (2) On February 20, 2009, Claimant filed a Change Report with the Department reporting a change in [REDACTED] (Exhibits 1,2,3)

(3) The Change Report also showed that Claimant was receiving [REDACTED] [REDACTED] which the Department was not aware of and had not been previously budgeted. (Exhibits 2,3)

(4) The Department completed a revised FAP budget including Claimant's [REDACTED] and his reduced [REDACTED] payment which resulted in the Claimant's monthly FAP allotment being reduced from [REDACTED] to [REDACTED]/mo. (Exhibits 4,5)

(5) On March 19, 2009, the Department received the Claimant's hearing request protesting the reduction of his FAP benefits.

CONCLUSIONS OF LAW

The Food Assistance Program, formerly known as the Food Stamp ("FS") program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations ("CFR"). The Department of Human Services ("DHS"), formally known as the Family Independence Agency, administers the FAP program pursuant to MCL 400.10, *et seq* and MAC R 400.3001-3015. Departmental policies are found in the Program Administrative Manual ("PAM"), the Program Eligibility Manual ("PEM"), and the Program Reference Manual ("PRM").

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI and SSI.

The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. PEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected. Prospective budgeting is the best estimate of the client's future income.

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15. PEM 505

In the instant case, the Claimant requested a hearing because he did not understand how a decrease in his SSI benefits would result in him receiving less FAP benefits. He now understands that his [REDACTED] had not been previously budgeted and that explanation was satisfactory to Claimant. He agreed with the figures the Department used in completing the revised FAP Budget. With the above said, the Department established that it acted in accordance with departmental policy in determining the Claimant's FAP allotment.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in computing Claimant's FAP benefits.

Accordingly, the Department's FAP eligibility determination is AFFIRMED.
