ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF: [REDACTED]

Claimant

Reg. No: 2009-17537
Issue No: 1038
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
May 6, 2009
Montcalm County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on May 6, 2009. The claimant personally appeared and provided testimony.

ISSUE

Did the department properly terminate the claimant's Family Independence Program (FIP) benefits for Work First/Jobs, Education and Training (WF/JET) in December, 2008?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant and her live-in boyfriend, [REDACTED] were FIP recipients and were determined to be mandatory WF/JET program participants.
2. The claimant and her boyfriend were required to attend AMASE, a program which helped clients get their GED on Mondays for five hours, in addition to performing other WF/JET activities.

3. The claimant and [REDACTED] did not attend the AMASE classes on November 30, 2008 (Department Exhibit #7, 8, 9).

4. Further, [REDACTED] had worked a couple of days for [REDACTED] and had quit the job. [REDACTED] provided no verification of the employment and failed to report that he had quit the job (Department Exhibit #7, 8).

5. The claimant and [REDACTED] were each mailed a Notice of Noncompliance (DHS-2444) on December 11, 2008, scheduling a triage appointment for them on December 18, 2008 (Department Exhibits #3 – 6).

6. The claimant attended the triage appointment and no good cause was granted for the noncompliance of either the claimant or [REDACTED] (Department Exhibits #1, 2).

7. The FIP case was scheduled to close on December 23, 2008, but the claimant turned in a hearing request on December 19, 2008, so the negative action was deleted pending the hearing (see hearing request and hearing summary).

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

A Work Eligible Individual (WEI), see PEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See PEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see PEM 233C. PEM 233A, p. 1.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

- .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
- .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
- .. Appear for a scheduled appointment or meeting.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. PEM 233A, pp. 1-2.

Refusing Suitable Employment

- . Refusing suitable employment means doing **any** of the following:
 - .. Voluntarily reducing hours or otherwise reducing earnings.
 - .. Quitting a job (see exception below).

Exception: This does NOT apply if:

- (a) The MWA verifies the client changed jobs or reduced hours in order to participate in an MWA approved education and training program.

(b) A teen parent or dependent child quits a seasonal job to return to a high school or GED program.

- .. Firing for misconduct or absenteeism (not for incompetence).

Note: Misconduct sufficient to warrant firing includes any action by an employee or other adult group member that is harmful to the interest of the employer, and is done intentionally or in disregard of the employer's interest, or is due to gross negligence. It includes but is not limited to drug or alcohol influence at work, physical violence, and theft or willful destruction of property connected with the individual's work.

- .. Refusing a bona fide offer of employment or additional hours up to 40 hours per week. A bona fide offer of employment means a definite offer paying wages of at least the applicable state minimum wage. The employment may be on a shift; full or part time up to 40 hours per week; and temporary, seasonal or permanent.

Exception: Meeting participation requirements is NOT good cause for refusing suitable employment, unless the employment would interfere with approved education and training.

Do NOT penalize applicants or member adds that refused employment more than 30 days prior to the date of application or date of member add. PEM 233A, pp.2-3.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination on the DHS-71, Good Cause Determination and the FSSP under the "Participation and Compliance" tab.

See "School Attendance" PEM 201 for good cause when minor parents do not attend school.

Employed 40 Hours

Client Unit

Good cause includes the following:

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

Illness or Injury

The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.

Reasonable Accommodation

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. PEM 233A, pp. 3-4.

No Child Care

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and

Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.

- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

No Transportation

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

Illegal Activities

The employment involves illegal activities.

Discrimination

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. PEM 233A, p. 4.

Unplanned Event or Factor

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

Comparable Work

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

Long Commute

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**

- . Three hours per day, including time to and from child care facilities. PEM 233A, pp.4-5.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

Note: Clients not participating with JET must be scheduled for a “triage” meeting between the FIS and the client. This does not include applicants. PEM 233A, p. 7.

Good Cause Established

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

Good Cause NOT Established

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. PEM 233A, pp. 10-11.

The claimant did not dispute that she and her boyfriend, [REDACTED] did not attend the AMASE classes on November 30, 2009. Nor did the claimant dispute that Mr. [REDACTED] had quit his employment with [REDACTED]. A department note indicates that [REDACTED] called DHS to report that he quit his job with [REDACTED] (Department Exhibit #8). Department policy indicates that both quitting employment and failure to appear and participate with the Jobs, Education and Training (JET) Program or other employment service providers are both incidents of noncompliance. PEM 233A. Thus, both the claimant and her boyfriend were noncompliant with their WF/JET program requirements.

An incident of noncompliance can be excused if the WF/JET participant has good cause for the noncompliance. PEM 233A. In this case, the claimant testified that the day they missed the AMASE classes, Greenville schools had closed due to weather. The claimant testified that because the AMASE classes were held in the school, she assumed they wouldn't be holding the AMASE classes. The claimant also testified that she was going to make up the time on Thursday, but the center was closed in the afternoon. No reason was provided by the claimant for her boyfriend to quit his employment. These reasons do not fit into any of the policy determinations of good cause. The claimant testified that she did not call any department worker to check whether AMASE classes would be held on this day. If the claimant had questions about the classes, she should have called to determine if the classes would be cancelled. Thus, this Administrative Law Judge is unable to find that the claimant or her boyfriend had good cause for their noncompliance with WF/JET participation.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly concluded that the claimant and [REDACTED] were noncompliant in their WF/JET participation and properly determined their FIP benefits should be terminated.

Accordingly, the department's decision is AFFIRMED. SO ORDERED.
