ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF: [REDACTED]

Claimant

Reg. No: 2009-19781

Issue No: 1038; 3028

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

June 3, 2009

Ionia County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on June 3, 2009. The claimant personally appeared and provided testimony.

ISSUE

Did the department properly determine the claimant's Family Independence Program (FIP) case should be closed for Work First/Jobs, Education and Training (WF/JET) program noncompliance and sanction the FAP case in April, 2009?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was an active FIP and FAP recipient and determined to be a mandatory WF/JET program participant.

2. WF/JET requested a triage for the claimant on March 24, 2009, because she was working all of her hours in the “work experience” category and wasn’t doing any “job search/job readiness.” (Department Exhibit #2 – 3, 7).

3. A meeting was scheduled for the claimant on Tuesday, March 4, 2009, to discuss the claimant’s need to do job search/job readiness activities. The claimant did not attend the meeting (Department Exhibit #4).

4. Beginning February 9, 2009, the claimant was scheduled to do 30 hours of work experience for two weeks, then six hours of work experience and 24 hours of job search/job readiness the next week and 30 hours of job search/job readiness the last week. This schedule was to be permanent until she got a job (Department Exhibit #3).

5. The claimant did do her 30 hours of work experience the weeks of February 8 and February 15, 2009. The claimant completed the six required hours of work experience the week of February 22, 2009, but did no job search/job readiness hours for that week (Department Exhibit #8).

6. The claimant should have completed 30 hours of job search/job readiness the week of March 1, 2009, however, the claimant completed 30 hours of work experience only (Department Exhibit #8).

7. The claimant was mailed a Notice of Noncompliance on March 25, 2009, scheduling a triage appointment for March 31, 2009 (Department Exhibit #10).

8. The claimant did not attend the triage appointment. No good cause was granted and the case was placed into negative action.

9. The claimant submitted a hearing request on April 7, 2009.

## CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

### **DEPARTMENT PHILOSOPHY**

#### **FIP**

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

### **DEPARTMENT POLICY**

#### **FIP**

A Work Eligible Individual (WEI), see PEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See PEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see PEM 233C. PEM 233A, p. 1.

**NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES**

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
  - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
  - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
  - .. Appear for a scheduled appointment or meeting.
  - .. Participate in employment and/or self-sufficiency-related activities.
  - .. Accept a job referral.
  - .. Complete a job application.
  - .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. PEM 233A, pp. 1-2.

## **GOOD CAUSE FOR NONCOMPLIANCE**

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination on the DHS-71, Good Cause Determination and the FSSP under the “Participation and Compliance” tab.

See “School Attendance” PEM 201 for good cause when minor parents do not attend school.

### **Employed 40 Hours**

#### **Client Unit**

#### **Good cause includes the following:**

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

### **Illness or Injury**

The client has a debilitating illness or injury, or an immediate family member’s illness or injury requires in-home care by the client.

### **Reasonable Accommodation**

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client’s disability or the client’s needs related to the disability. PEM 233A, pp. 3-4.

### **No Child Care**

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible

child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

### **No Transportation**

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

### **Illegal Activities**

The employment involves illegal activities.

### **Discrimination**

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. PEM 233A, p. 4.

### **Unplanned Event or Factor**

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

### **Comparable Work**

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

### **Long Commute**

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**
- . Three hours per day, including time to and from child care facilities. PEM 233A, pp.4-5.

### **NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS**

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

### **TRIAGE**

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

**Note:** Clients not participating with JET must be scheduled for a “triage” meeting between the FIS and the client. This does not include applicants. PEM 233A, p. 7.

### **Good Cause Established**

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

### **Good Cause NOT Established**

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. PEM 233A, pp. 10-11.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, etc. PEM 233A. In this case, the claimant was assigned to a permanent schedule of two weeks

of 30 hours of work experience, a week of six hours of work experience and 24 hours of job search/job readiness, then a week of 30 hours of job search/job readiness. The claimant completed her two weeks of 30 hours in work experience (working for [REDACTED] and completed six hours of work experience the following week, however, she did not complete any job search/job readiness activities. The claimant was to complete 30 hours of job search/job readiness activities the following week and completed none.

The claimant testified that she did stop job search/job readiness activities, but indicates that she was doing so well at [REDACTED] that they were considering hiring her for a job in July, 2009. The claimant testified that she tried to work extra hours at [REDACTED] to get them to hire her. The claimant did testify that she did know she was supposed to be doing some job search/job readiness activities. The department representative testified that the claimant could have worked extra hours for [REDACTED] as long as she did complete her job search/job readiness hours that she was required to complete.

Due to the claimant's failure to complete her required job searching/job readiness activities, the claimant was noncompliant with WF/JET. Department policy indicates certain factors that are beyond the control of the noncompliant person can be considered valid reasons for noncompliance with employment and/or self-sufficiency-related activities. PEM 233A. The claimant does not claim any good cause reasons for her noncompliance, thus the department properly found the claimant did not have good cause for the noncompliance.

Department policy requires the department to triage the claimant to discuss the noncompliance. PEM 233A. The department did schedule the triage appointment for March 31, 2009. The claimant did not attend the triage appointment. The claimant testified that she didn't receive the notice of the triage appointment. However, the claimant did testify that she received the notice of case action. The department did properly address the mail to the

claimant and it was not returned to the department for any reason. Thus, the department followed proper procedures for notifying the claimant of the appointment.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly determined the claimant's FIP benefits should be terminated and her FAP benefits should be accordingly sanctioned due to noncompliance with assigned WF/JET activities in April, 2009.

Accordingly, the department's actions are UPHeld. SO ORDERED.
