Reg. No: 2009-20481
Issue No: 2009
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
July 14, 2009
Gladwin County DHS

ADMINISTRATIVE LAW JUDGE: Marlene B. Magyar

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on July 14, 2009. Claimant personally appeared and testified.

ISSUE

Did the department properly determine claimant's disability status for Medicaid (MA)/retro-MA eligibility purposes?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On October 13, 2008, claimant applied for MA/retro-MA.
- (2) On May 8, 2009, the department's State Hearing Review Team (SHRT) issued a prehearing denial on claimant's application (Department Exhibit #2).

(3) Claimant promptly requested a hearing, at which, he presented updated medical evidence (Client Exhibit A).

(4) When received, this exhibit was forwarded to SHRT for a post-hearing review.

(5) On July 20, 2009, SHRT reversed its earlier denial of claimant's disputed MA/retro-MA application based on Medical-Vocational Grid Rule 201.10, with retro-MA approved starting July 1, 2008.

(6) SHRT recommended a seven year medical review in July, 2016, unless a Social Security disability allowance is granted by that time.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In the present case, SHRT reversed its earlier finding of lack of disability based on additional medical evidence reviewed for the first time after the hearing. This new medical evidence establishes claimant is currently disabled, and has been disabled at all times relevant to his October 13, 2008 MA/retro-MA application.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the department, through SHRT properly determined claimant's disability status upon consideration of additional medical evidence reviewed for the first time after the hearing.

Accordingly, the department's decision is AFFIRMED, and claimant's disputed MA/retro-MA application shall be processed with benefits awarded as long as he meets all of the other financial and non-financial requirements necessary to receive them. Additionally, the local office shall conduct a review of claimant's condition in July, 2016, as specified by SHRT. **SO ORDERED.**
