ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on August 12, 2009. Claimant personally appeared and testified.

ISSUE

Did the Department of Human Services (the department) properly deny claimant's application for Medical Assistance (MA-P) and State Disability Assistance (SDA)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On November 10, 2008, claimant filed an application for Medical Assistance and State Disability Assistance benefits alleging disability.

(2) On February 10, 2009, the Medical Review Team denied claimant's application stating that claimant's impairments were non-exertional.

(3) On March 6, 2009, the department caseworker sent claimant notice that his application was denied.

(4) On March 12, 2009, claimant filed a request for a hearing to contest the department's negative action.

(5) On May 15, 2009, the State Hearing Review Team again denied claimant's application stating that claimant was capable of performing unskilled work per 20 CFR 416.968(a).

(6) The hearing was held on August 12, 2009. At the hearing, claimant waived the time periods and requested to submit additional medical information.

(7) Additional medical information was submitted and sent to the State Hearing Review Team on August 13, 2009.

(8) On August 17, 2009, the State Hearing Review Team approved claimant for Medical Assistance and State Disability Assistance benefits stating that the claimant was approved for Social Security disability benefits on [REDACTED]. SDA is approved per PEM 261. No medical review is necessary due to the SSA allowance.

(9) Claimant alleges as disabling impairments: hearing voices, schizophrenia, bipolar disorder with psychotic features, panic attacks, mood swings, hearing loss and back problems.

CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R

400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM). The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the Social Security Administration determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability. PEM, Item 260.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the claimant meets the definition of medically disabled under the Medical Assistance program on the disability determination date of the Social Security Administration. Claimant meets the definition of disabled for purposes of the State Disability Assistance benefits as of the November 10, 2008 application date. The department is required to initiate a determination of claimant's financial eligibility for the requested State Disability Assistance benefits, if not previously done.

The department is ordered to initiate a review of the November 10, 2008 Medical Assistance and State Disability Assistance application, if it has not already done so, to determine if all other non-medical eligibility criteria are met. The department shall inform the claimant of the determination in writing. There shall be no medical review since claimant is eligible for SSI.

Therefore, the department shall open an ongoing Medical Assistance case for the claimant effective the month of SSI entitlement.
