Issue No: 2009
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

Washtenaw County DHS

ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on June 23, 2009. Claimant personally appeared and testified. Claimant was represented at the hearing by [REDACTED]

ISSUE

Did the Department of Human Services (the department) have a negative action in this case?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant received a fully favorable Social Security Administration disability decision October 3, 2007 which indicated that claimant should be eligible for Supplemental Security Income and was found disabled beginning [REDACTED] because of a seizure

disorder, post traumatic stress disorder, vertigo, and depression so severe that she was unable to perform any work existing in significant numbers in the national economy.

(2) There was no ongoing open Medical Assistance case for claimant.

(3) On February 19, 2009, [REDACTED] filed a request for a hearing on claimant's behalf stating that claimant has been determined disabled by a Social Security Law Judge and the worker had not activated coverage or sent a denial to the representative.

(4) On March 9, 2009, claimant then applied for Medical Assistance and Food Assistance Program assistance. The application indicated that claimant was applying for the Adult Medical Program and it indicated on the application that she was able to work.

(5) On March 24, 2009, claimant was found eligible to receive Food Assistance Program benefits and the Adult Medical Program and an Adult Medical Program and Food Assistance Program case was opened.

(6) The caseworker did an updated SOLQ report indicating that claimant was denied Social Security and her claim was being appealed.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In the instant case, there was conflicting evidence contained in the record. This Administrative Law Judge cannot determine if claimant was currently eligible to receive Medical

Assistance benefits based upon her eligibility for Supplement Security Income under the Social Security Administration.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that it is impossible to determine whether or not claimant is eligible to receive Supplement Security Income from the Social Security Administration based upon the evidence contained in the file.

Accordingly, the department's decision is REVERSED. It is ORDERED that the department shall conduct an investigation with the Social Security Administration and determine whether or not claimant is eligible to receive Supplemental Security Income. If claimant is otherwise eligible to receive Supplemental Security Income, the department shall open an ongoing Medical Assistance case for the claimant effective the month of SSI entitlement. The department shall inform the claimant of the determination in writing.
