ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on August 19, 2009. Claimant appeared and testified.

ISSUES

- (1) Did the Department of Human Services determine Claimant's eligibility for Medical Assistance (MA) properly?
- (2) Did the Department of Human Services determine the proper amount of Food Assistance Program (FAP) benefits Claimant is eligible for?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was an ongoing recipient of Medical Assistance (MA) and Food Assistance Program (FAP) benefits. Claimant's eligibility was based in part on his status

as a recipient of Retirement, Survivors, Disability Insurance (RSDI) and Supplemental Security Income (SSI) benefits.

(2) On May 1, 2009, Claimant began receiving VA benefits.

(3) On July 7, 2009, new financial eligibility budgets were run and Claimant was sent notice that his Food Assistance Program (FAP) benefits would be reduced to \$16 and his Medical Assistance (MA) was being changed to a deductible case.

(4) On July 10, 2009, Claimant submitted a request for hearing.

### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In this case, Claimant's receipt of Disabled Veterans benefits stopped his Supplemental Security Income (SSI) and ended his full coverage Medical Assistance (MA) eligibility. As

stated in his notification letter Claimant is now eligible for medical benefits through the Department of Veterans Affairs. For Medical Assistance (MA) benefits through the Department of Human Services Claimant is properly on a deductible case with a spend down of \$925.

When determining eligibility for Food Assistance Program (FAP) benefits in accordance with Department policy, the total income of the household must be evaluated. All earned and unearned income of each household member must be included, unless specifically excluded. Bridges Eligibility Manual, Item 500. The Food Assistance Program (FAP) program provides a deduction from earned income and a deduction for the cost of child care when necessary to enable a Food Assistance Program (FAP) household member to work. A standard deduction from income is allowed for each household. The amount of the standard deduction depends on the number of members in the household. Certain non-reimbursable medical expenses may be deducted for senior/disabled/veteran group members.

Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income, after all of the other deductions have been allowed. There is a maximum deduction for households that do not contain a member classified as a senior, disabled, or veteran. Bridges Eligibility Manual, Items 500 and 554; Program Reference Manual, Table 255; 7 CFR 273.2.

In this case, the Administrative Law Judge has reviewed the Food Assistance Program (FAP) budget and finds that the department properly computed the claimant's net income and expenses. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The department in compliance with the federal regulations has prepared issuance tables which are set forth at Program Reference Manual, Table 260. The issuance table provides that a household with household size and net income of the claimant's is eligible for a Food Assistance Program (FAP) allotment of \$16.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services properly determined Claimant's eligibility for Medical Assistance (MA) and determined the proper amount of Food Assistance Program (FAP) benefits Claimant is eligible for.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHELD.
