ADMINISTRATIVE LAW JUDGE: Jonathan W. Owens

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a hearing was held on March 3, 2010. Claimant appeared and testified.

ISSUE

Did the Department properly closed Claimant's case for Medical Assistance (MA) for failure to provide medical documentation?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as a material fact:

1. On June 24, 2009, the Claimant was sent a review packet with a request for updated medical documentation.
2. On July 6, 2009, the review materials were due back to the Department. The Claimant failed to provide any updated medical information as requested.

3. On July 9, 2009, the Department closed the MA case for failure to provide verifications.
4. On July 17, 2009, the Claimant sent a letter indicating the doctors had not completed the forms.
5. On July 17, 2009, the Claimant requested a hearing.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In the present case, the Claimant's case was closed for failure to provide all requested verifications. Specifically, the Claimant failed to provide updated medical for the Department to send to MRT for a medical review. The Claimant testified he had received the review packet. The Claimant contacted the Department after the notice of closure was sent and stated he had problems getting the medical documentation.

Relevant policy can be found in BAM Item 130, p.1-3:

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- Required by policy. PEM items specify which factors and under what circumstances verification is required.
- Required as a local office option. The requirement must be applied the same for every client. Local requirements may not be imposed for MA, TMA-Plus or AMP without prior approval from central office.

- Information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party.

Verification is usually required at application/re-determination and for a reported change affecting eligibility or benefit level.

Obtaining Verification

Tell the client what verification is required, how to obtain it, and the due date (see “Timeliness Standards” in this item). Use the DHS-3503, Verification Checklist, or for MA re-determinations, the DHS-1175, MA Determination Notice, to request verification.

Use the DHS-3503C, Verification Checklist for Citizenship/Identity to request documentation of citizenship or identity for Medicaid determinations.

The client must obtain required verification, but you must assist if they need and request help.

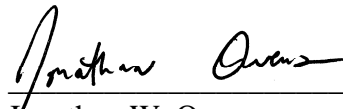

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If no evidence is available, use your best judgment.

The Department processed the Claimant’s application in accordance with policy. The Claimant failed to submit the requested documentation or ask for any assistance or extension prior to the date of closure.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted according to policy with regards to Claimant’s MA case.

Therefore, it is ORDERED that the Department’s decision in this regard be and is hereby AFFIRMED.
